**WEST HIGH
BREMERTON, WASHINGTON**

FORWARD

Throughout our entire lives we must walk to gain whatever we strive. Perhaps only a step or two, or maybe a long journey, but our footsteps are important. Which direction we take is decided in our four years in high school for we have come to gain knowledge that will last a lifetime.

On our journey through high school we gain a wider horizon of the world that is soon to be our own. It is a time to think, to accept ideas to blend with our own. It is a time to create a better way of saying what needs to be said—or a new thought.

During high school our feet carry us everywhere; from class to class, to lunch, to assemblies. Our enjoyment can come only by using our feet in dancing, skiing, or climbing a mountain. In sports it is the footwork that counts. And so it seems, footsteps influence every phase of our life.

After graduation the sounds of our footsteps will echo as we walk the hallways of our past, remembering what has influenced our pattern of life . . . realizing what will occur in the coming years.

and continues on until lunch...

A STUDENT'S LIFE IS

Entering as a freshman, our thoughts concern only the immediate. We worry about being to class on time, who we will sit with at lunch, and how to do our impossible homework. We learn the basics of being a typical high school student—walking around the halls, remembering the many locker combinations, and worshipping the upper classmen.

As sophomores we are able to fit into the groove with a little more ease. We get to watch the green freshmen and grin as they trudge the weary road to that great annex, Lincoln. But now we must tend to business a little more and think about the effect of what we are doing with our future. We attend the many sport activities and begin to take an active interest in the many organizations offered at this great institution of learning. The rest of the year is spent in great anticipation for our first year as upper classmen.

FILLED WITH CLASSES, ACTIVITIES, AND FRIENDS

Juniors! Now we must really buckle down, the future is not such an unfamiliar word. We meet with our counselors and begin to seriously plan for graduation and college or work. This wonderful year ends with the election of next year's all important people, the A.S.B officers.

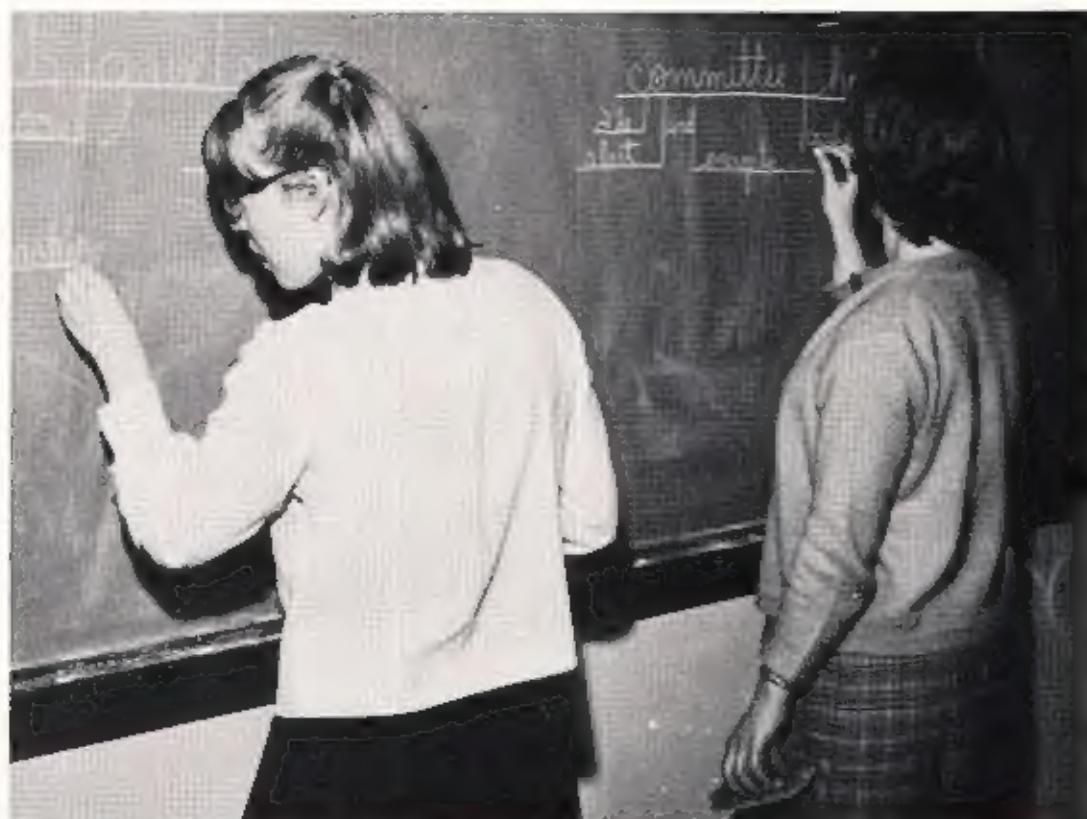

Well here it is, the year we have all waited for—we are seniors! We are at last the top ones in school. The year is busy with the seniors taking the lead in nearly every activity. The senior athletes are honored. The senior girls are made queens and princesses. College tests are taken and applications are filled out. Dances, conferences and meetings are attended. Commencement speakers are chosen and graduation comes with every senior wishing he could do it over again.

This year has been no different except for these few incidents. In October, we held our second model United Nations Assembly. A bus carrying 67 students rolled down a hill in November, with just a few people being injured. In that accident was our foreign student, Jan Westra. In April, our first model Congress was held. At the end of April, our area had an earthquake that shook up the students but no one was hurt and the school sustained only minor damage. This year has been interesting, exciting and will never be forgotten.

the end of day.

ENGLISH DEPARTMENT HAS A VARIETY OF CLASSES

Diagramming sentences is a necessary fundamental taught in composition classes.

Reading skills are expanded in Developmental Reading.

Skits in Public Speaking promote student's ability to confidently present themselves to an audience.

There is a great need for English in all school work. In later life it will be even more important for a person to be proficient in his own spoken language. The West High English Department strives to present the correct forms of English to its students with the hope that they will attempt to improve their speech.

Three years of composition and literature are required for graduation from West. Students are divided into three groups according to their knowledge and capabilities in English. In this way teachers are more able to know the individual needs of the students.

Literature I, in the Freshman year, offers an introduction to better equip the student for future classes. The Sophomore year's plan is comprised of short stories, poetry and plays with a brief introduction to William Shakespeare and his theatrical works. Literature in the Junior year emphasizes American authors and their writings. Seniors concentrate primarily on English Classics and World Authors.

Aside from the six required courses, we may elect courses in grammar review (Composition IV), intensive writing practice (Composition V), English literature (Literature IV), and English IV which is a combination of these three. English IV is a new class that was offered this year. Also there are Journalism, Public Speaking, Developmental Reading, and Yearbook editing.

With the wide variety of English classes offered to the students, the teachers attempt to prepare them for the future.

The Social Studies Department is one of the largest departments in West. Three years of social studies are required for graduation. Freshmen take one semester of Washington State history and one semester of geography and civics. Juniors take United States history, while seniors have one semester of government and one semester of world affairs. Also offered is social living.

In each of the social studies courses, teachers try to give the students information about what is going on at the present time; and how history, science, and industry have contributed to our civilization.

In October, the second annual model United Nations Assembly was held. Bob Efird presided as Secretary General of the assembly. Juniors and seniors took part and debated three questions of world problems that were in front of the United Nations.

On the second and third of April, a model Congress was held with students from both East and West participating. Terry Linkletter was elected by the Congress as Speaker of the House. The students wrote the bills that were introduced and formed the committees that passed them. On the floor, the bills were debated and voted upon. This model Congress proved to be a profitable experience for those who participated. They learned the "ins and outs" of passing bills and how the legislative branch of government really works.

In April, the model Congress stimulated student's interest in our government

SOCIAL STUDIES AND MATH COURSES OUTSTANDING

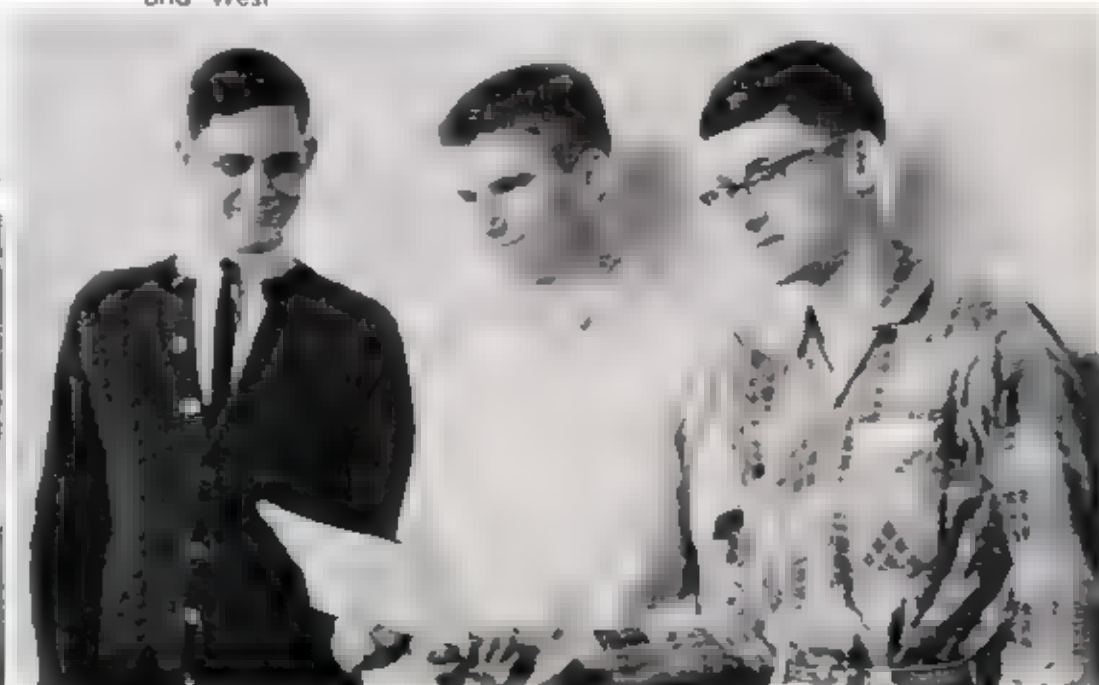

A Mathematics Department must provide the mathematical tools needed in everyday living. General and business mathematics are designed to achieve this goal. Second, it must provide a foundation for those who will be taking mathematics and science in college.

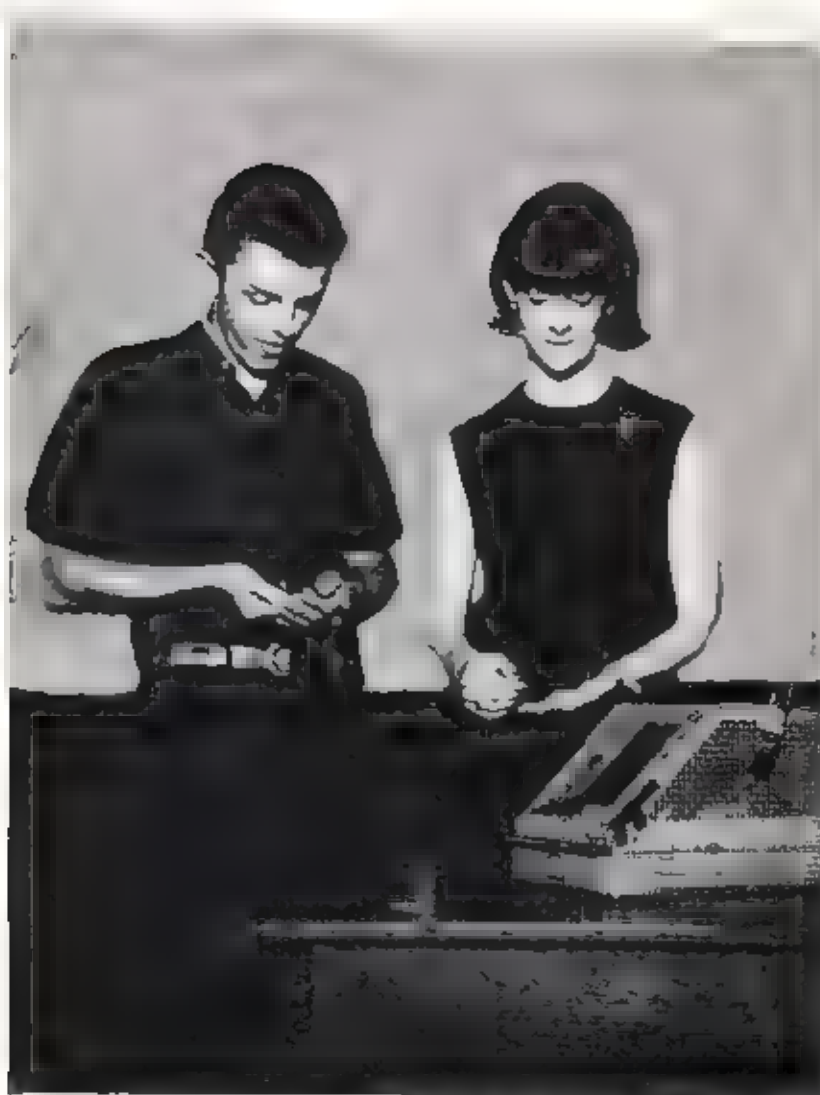

Courses in algebra, geometry, advanced

algebra, trigonometry, and math analysis are among those math courses offered. Well qualified teachers prepare these students for college and provide good, basic foundation for the practical uses of mathematics. Again this year, West won the mathematics trophy, which it has won five years in a row.

Terry Linkletter, Duane Fickelsen, and Michael George were the winners of the annual math contest between East and West

Polar co-ordinate graphing is one of the many interesting concepts taught in Mathematics Analysis.

Larry Hall and Claudia Hegdahl examine an experimental animal used in the Science Department

West's Science Department offers a wide choice of courses including general science, biology, botany, zoology, chemistry, and physics.

General science is offered to those who do not plan to go on to college and are interested in studying about a variety of scientific topics.

Botany, the study of plants; zoology, the study of animals; and biology, which deals with both of these subjects, are given for those who are interested in learning about the origin, development, structure, and functions of plants and animals.

To teach the functions and characteristics of physical things, such as light and sound, is the primary purpose of physics. The chemical composition of substances is taught in chemistry classes. This includes studying elements and their atomic structures. Both physics and chemistry offer ample opportunity for students to practice what they learn from books by frequent laboratory experiments.

This program has a two-fold purpose. First, college-bound students can benefit a great deal from adequate high school preparation. Secondly, students who do not plan to continue their formal education beyond high school graduation can profit greatly by gaining a better understanding of themselves and the world in which they live. All of these things, we feel, will lead us to a better, happier, and fuller life.

SCIENCE AND LANGUAGES WIDEN OUR KNOWLEDGE

In keeping with the national trend, West High students are becoming tremendously interested in foreign languages. Diplomat, interpreter, international relations, all of these require knowledge of a foreign language. As our world grows smaller it is becoming important for people to be bilingual.

The foreign language department has had two major projects this year. These were the foreign language banquet and the Pan American assembly. At the banquet foods were served from each country represented. Entertainment was provided by each club. The Pan American assembly in April was the highlight of Pan American Week. Featured at this assembly were four princesses from the language clubs and the queen from the Spanish club.

Teaching methods are directed toward oral use of the language so that fluency in speech is acquired along with reading and writing. Language laboratories greatly increase the speaking abilities of the language students.

The language department was joined this year by Dr. Ilse Ziercke. She is an exchange teacher from Germany and has proved to be an asset to West High.

Dr. Ziercke, our exchange teacher, instructs her class in her native tongue, German.

ART—CREATIVE ABILITY, AND P.E.—PHYSICAL

Art develops a student's creative abilities.

A well disciplined body has a well disciplined mind. With this in mind the Physical Education Department tries to develop the body through physical fitness exercises and skills.

Fourteen physical fitness tests are taken by the boys in P.E. The fifty yard dash, the mile run, the half mile run, sit-ups, and free exercises are included in these tests.

Sophomores also take a standard first aid course the second and third quarters along with two quarters of P.E. Girls' first aid includes health, the study of physical and emotional growth.

The first nine weeks, sophomore girls are offered gymnastics, free exercise, and volleyball. They have tennis, archery, and softball during the fourth quarter. Freshman girls take speed ball, table tennis, and stunts in addition to the sports and games taken by the sophomores.

The boys have various sports which include: football, bombardment, basketball, softball, track, and wrestling.

Projects and assignments of the West High Art department this year have put emphasis on the relationship of art to everyday needs, with special attention given to making the student aware of the aesthetic possibilities of his surroundings.

In basic art, the main objective is creativity, but appreciation and experimentation are stressed. A student learns the balancing and mixing of colors, basic design and sketching. They also work with paper constructions-mobles, cut paper sculpture, and mask making. Other projects are mural painting and wire sculpture.

A course in oil painting, and three dimensions is offered to advanced students. They are able to display their talents and abilities in the field of art by placing their projects in display cases in the main building.

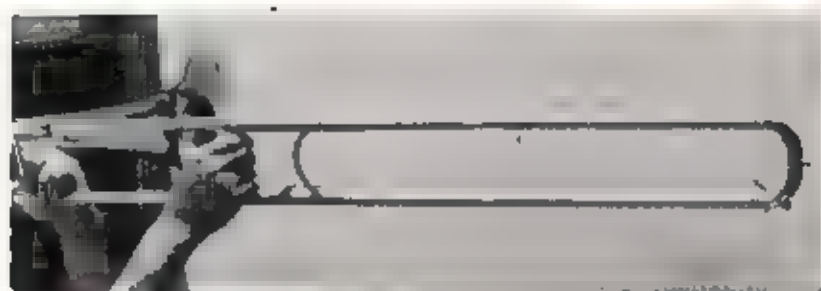

Procedures used at West attempt to stimulate the imagination and mature the student mentally as well as aesthetically.

and the band plays on

At West this year there are four instrumental and four vocal music classes offered for one hour each day. This time is spent mostly in rehearsal for contests, concerts, and other public appearances.

A new group this year, the Freshman Choir, trains prospective sophomores for choir. Choir is the biggest it has ever been and received a superior rating at contest. Choralettes is also a new group. It is composed of select girls, who give performances at many public activities. Modernaires consists of chosen boys and girls. They also give performances. They received a superior rating at contest.

First Band participates in parades, at football games, concerts, and at contest, at which they received a superior rating. Second Band trains students for First Band. Orchestra made a trip to Victoria this year and gave many concerts. The Dance Band played for dances all over Western Washington.

MUSIC AND COMMERCIAL CLASSES HAVE MANY STUDENTS

The aim of the Commercial Department, that of preparing students through a sufficient amount of training for immediate employment in offices after graduation, becomes a reality each year, as practically all of the advanced commercial graduates do find full-time jobs.

A wide range of subjects is offered by this department for nearly every aspect of work in the business realms. Classes include typing, stenography, office practice, bookkeeping, business math, commercial law, and consumers economics. Two years each of bookkeeping, stenography and typing are offered. The others are one semester or one year courses.

Success in the business world comes to aspiring young students through the commercial classes. A secretary must be a good typist and stenographer and often a first-rate bookkeeper. Many boys realize the benefit of these classes in making a success in the business world; accountants have to be skilled in the art of keeping books. Commercial law is advantageous to anyone in today's business world.

Typing and bookkeeping are only two of the many commercial courses offered.

Girls develop clothing skills in advanced sewing.

Cooking proves to be fun as well as hard work.

Every girl in West High must take at least two semesters of Homemaking. The girls learn about cooking and sewing. No matter how modern the households become, a girl still needs to be able to cook and sew.

In sewing, the students study clothing and textiles, child care, household management and home furnishings. In cooking, they study nutrition, how to live within a budget, prepara-

tion of American and foreign foods, and social manners. In both these classes, the girls are expected to have a project.

The aim of the department is to train girls to become homemakers who can manage themselves, their families, and their homes, for the happiness and betterment of all members; and also devote more time to community activities.

GIRLS STUDY HOMEMAKING WHILE BOYS TAKE SHOP

Drafting students work hard to perfect their drawings.

Many vocational classes are offered to the boys of West High School. These are drafting, auto shop, machine shop, wood shop, and radio shop.

For boys who plan to become an auto mechanic, three periods daily are offered. In the auto shop the students rebuild cars, repair engines, and learn the basic techniques of auto repair. Again this year, the auto shop provided free installation of seat belts, which the students and faculty has purchased through Student Council.

Radio students are interested in electronics training. In woodshop they are able to make many useful articles for themselves or their families. Drafting is the first step in many vocational opportunities. Training received in these classes often allow students part time work in these fields.

Auto Shop is an opportunity to train for a future occupation.

OUR FOREIGN STUDENTS BECOME "AMERICANIZED"

JAN WESTRA

Now when the year here has almost ended, I remember how I wondered about America before I left. I heard many opinions about American life and was eager to see how it was in reality. Although my stay only lasted one school year, I have formed a pretty good idea of the way people live in the new world.

I think I have met the motto of the A.F.S. to "talk and walk with people," although I definitely have done more talking than walking. It will take some time before I can look back to this land of vastness and realize how great it was, and how it will affect my future.

I have met lots of people, shaken all kinds of hands, and ridden in numerous cars. Fortunately, I have the opportunity to give speeches and show my slides, so that if you come to the gateway of Europe you will be prepared.

When I leave I will take back my memories of a wonderful family, a cool school, and loads of friendly and interesting people. Many of you told me that you will visit Europe someday and I am very sincere when I invite you all to visit me in Holland. (That is if you all don't come at the same time!)

Lots of luck to all and keep smiling,

Jan Westra

YOKO TAMURA

I was born on the 11 of January, 1948 in Nagoya-City, Japan.

My father has his own school and has been teaching English for more than twenty years. He is also an interpreter. My mother is a house-wife. I have one younger brother and one younger sister.

I enjoy many things; singing, listening to music, arranging flowers, skiing, and volleyball. I also hope to travel around the world in the future.

In 1964 I was interested in going abroad to America. I had always wanted to come. I found an address of the Bremerton newspaper and asked for a family to stay with. The Red Cross got me an address and I got a lucky letter from an American family. I left for America on the 26th of August in 1964.

I think that Bremerton and West High are very nice, and people, kids and students are very friendly. I am enjoying so many things and think that I am a very lucky girl. I like quiet places like Bremerton, because I used to live in a big and busy town.

After graduation I plan to go to Olympic College. I now live with the Doctor James Carter family.

As freshmen, the Class of 1965 chose for their officers Barry Cartwright, president; Bill Pelandini, vice-president; Jane Strong, secretary; Chris Lindstrom, treasurer; and Janet Belden, student council. Representing the class as cheerleaders were Queen Susan Bernier, and Princesses Janet Faulk and Janice Hulbert.

Bruce Horish was elected as Sophomore Class President. Other class officers were Midge Johnson, vice-president; Jane Strong, secretary; Chris Lindstrom, treasurer; and Terry Linkletter, student council representative.

Selected as Junior Class officers were Terry Linkletter, president; Randy McKiernan, vice-president; Jane Strong, secretary; Chris Lindstrom, treasurer; and Joy Eaton, student council. The theme of the Junior Prom was "An Old Fashioned Walk."

For their last year at West, the class chose Bruce Horish as president with Larry Thatcher, vice-president; Mikki Plumb, secretary; Lynn Hudson, treasurer; and Joy Eaton, student council. Senior couples danced at their Senior Ball, "Till the Twelfth of Never."

The Senior class members were active and prominent in both scholastic and extra-curricular activities. Many were honored for their contribution to the school through sports and through their academic work.

As graduation neared, the Seniors enjoyed the Senior Tea, Baccalaureate, and the awards assembly. Long will they remember the commencement Exercises and the commencement Party.

Leaving their Alma Mater, the Senior Class of 1965 will always remember the four wonderful years spent here at West High School.

Each year the Seniors who have maintained a 3.5 or above grade point average are honored for this achievement. From the Class of 1965, forty-nine students have been named to this position of honor.

These Seniors will be recognized at a banquet given in their honor by the National Honor Society, and they will receive medallions at the Class Day Assembly. As further recognition for these students, they will receive trophies at the commencement exercises in June.

Each Spring as graduation approaches, commencement speakers are chosen by faculty judges at a try out. These students meet each week with advisers for research and correction of the speeches. The theme this year is "Our Automated World: 1985." The speakers and their subjects are B. B. Buskirk, introduction; Virginia Cook, social effects of automation; Chris Lindstrom, economic effects of automation; Terry Linkletter and Sandy Foraker, education and training required for the automated world; and Jan Westra, summary.

The Class of '66 started the year off with a bang by winning the A.S.B. card sales contest. Later, a successful car wash was held which boosted the treasury and provided money for the Junior Prom.

In the annual ring sale, the Delta style was selected by the class.

Patti Josephson represented the class as candidate for Miss Merry Christmas at the annual food drive. Majorettes Bobbi Lawrence, and Rochelle Whitney led the parades while Kris Fedt and Jody Olson represented them on the rally squad.

With "Harbor Lights" as a theme, the Junior Prom in March was an enjoyable and memorable event. Chosen as Junior Couple was Curt Bay and Bonnie Morley.

The Sophomore class had a successful year with the help of their adviser, Mr. Gray and class officers: Mike Matlock, President; Denny Ball, Vice-President; Jackie Thomes, Secretary; Patty Parker, Treasurer; and Owen Epps, Student Council Representative. Chosen as Sophomore Girls' Club Representatives were Jean Paquette and Winnie Zuber.

Sophomores carried on many activities which included car washes, concessions, Christmas food drive for which Claudia Brott was chosen Sophomore Class princess, and decorations for Baccalaureate services.

The Sophomore football and basketball teams had successful seasons. The football season ended with Mike Matlock receiving Captain Award and Mr. Football, and Brian Buskirk being awarded the Inspirational Award.

After completing a rewarding Sophomore year, they are looking forward to being Juniors at West.

The new Freshman Choir performs at class meeting

Under the guidance of Mr. Wade, the Freshman class has shown tremendous school spirit. Elected officers for the year were: John Sitton, President; Allen Diefendorf, Vice-President; Peg Parsley, Secretary; Alyce Ullock, Treasurer; and Jo Spencer, Student Council Representative.

The Freshman girls elected Karen Leader and Linda Salmon to represent them on the Girls' Club Cabinet, while President John Sitton represented the boys in Boys' Club.

The two successful car washes and Frosh Jamboree that opened the basketball season were highlights of the class activity program. Gerri Hendry was chosen Freshman princess following the Christmas food drive.

The cheer leaders, Queen Gerri Hendry, and Princesses Sue Bramwell and Kathy Perrone, led in songs and cheers during the football and basketball seasons. The teams brought many victories home to West, in football, 5 out of 6 games, and in basket ball, 6 out of 13 were won. Music was provided by the Freshman Pep Band.

A new music organization, for Freshmen alone, the Freshman Choir, was greatly enjoyed and participated in by many. This was the first year for this Choir.

The A.S.B. Officers and the president of Girls and Boys Club constitute the Executive Board.

After their election in the spring of their junior year, they attend Executive and Screening Board meetings to select candidates for the Rally Squad.

The vice-president is president of the Student Council and is responsible for planning and running the meetings.

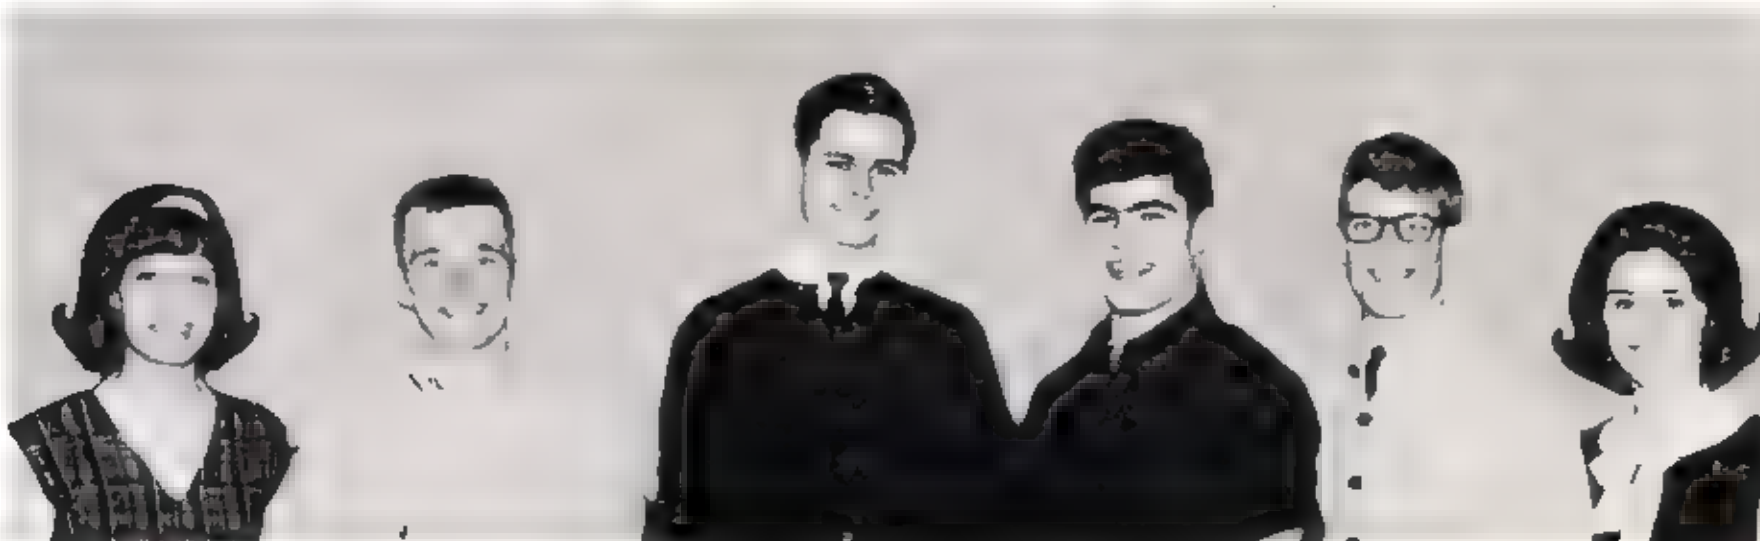

The treasurer has a job of overwhelming responsibility. She is in charge of all A.S.B. card sales.

The secretary records the minutes of all Student Council and Executive Board meetings.

The judge presides over all trials in the Student Court.

The president presides at all assemblies, and is a representative for West at meetings throughout the county.

GOLDEN PAW

Knights of the Golden Paw is an organization composed of fifteen juniors and fifteen seniors. These students are chosen by the faculty and the student council. Students with a "C" average or better and with a good citizenship record are eligible.

Golden Paw members are authorized to give warrants to students who violate the student council rules. Violators are brought before student court. The court passes sentence if they are found guilty.

TRAFFIC COURT

The West High Traffic Court consisted of judge Terry Linkletter, assistant judges Barb Fowler, Tom Danskin, Bruce Horish, and Larry Thatcher, clerk Jane Strong, bailiff Bob Efird and adviser Mr. Hurney. The Traffic Court cooperated with the Kitsap County Juvenile Court to give fair trial by fellow students to members of the West High student body accused of traffic violations. Transcripts of verdicts and sentences were returned to the Juvenile Court.

Traffic Safety became a reality this year when the traffic safety committee took moves to inform students of the responsibility of traffic safety.

A new idea instituted this year was a school spirit week, with Barbara Fowler as the

chairman. Different activities were planned for each day of the week, including a blue and gold day, a pie-eating contest, and a Sadie Hawkins day. A basketball game with East on Friday brought the eventful week to an end.

The smoking committee, headed by Larry Thatcher made great progress in educating students of the hazards of smoking. A survey was taken at school to determine the amount of smoking students do. A radio broadcast from the school was one of the most successful steps taken to inform students.

UNDERSTANDING OF GOVERNMENT LEARNED AT STATE

June 14-21 was a week of intense but enjoyable education for the three West High seniors who took part in the 1964 American Legion Boys State. Along with about 500 other Washington and Alaska high school boys, they learned about our state government by listening to lectures and by setting up a model state on the Pacific Lutheran University campus, complete with cities, counties, political parties, campaigns, elections, and the actual performance of the responsibilities of holding public office. This learning by participation made it possible to understand democracy with a clarity these Boys Staters won't forget.

Evergreen Girls State, which is sponsored by the American Legion Auxiliary, took place in Ellensburg Central Washington College. Approximately 350 girls attended and represented almost every area in Washington.

The girls not only learned how the levels of government function, but also learned their responsibility as citizens. Almost every girl held a city, county or state office, and if not, was appointed to be a lobbyist or page in the legislature. Everyone took part in the government and shared in the recreation activities.

Terry Linkletter and others enjoy Boy's State.

The Boys Club began its year with an assembly in September and a hall sale in October. December was the month of the successful Boys Club toy drive, in which officers collected toys and students brought them to school. These were turned over to the fire department for distribution to needy children at Christmas.

In January the club entered the city basketball league and had a great season, placing third out of 25 teams. The club held a successful after game dance in February and an assembly in March. The annual arm wrestling tourney took place in April and another dance was held in May. A sale in June ended the activities for 1964-1965.

Other accomplishments were the drive for blackout curtains for the gymnasium, more meetings, and more money in the treasury.

The main duty of the Girls' Club Cabinet is to plan the activities of the entire Girls' Club. The activettes assist the cabinet by passing on information to first period classes. By this method all the girls can be informed of the club's future plans.

During the past year Girls' Club sponsored various activities. These included a Christmas cookie sale. The money raised was used to buy an article of clothing for two needy girls.

Tolo Week, held in February, gave the girls a chance to ask the boys out. Activities were planned for each night, Monday through Friday.

The All-Sports Banquet honored those boys active in sports. Awards were presented to the boys who excelled in one or more sports.

The Cotton Boll, held in the spring, was a big success after much work by the girls.

The year ended with the Girls' Club Officer's Installation and the Senior Tea.

An Activette is a girl elected by her first period class to represent the girls in that class.

It is her duty to report to her class the information she obtains at the monthly Girls Club meeting. She gets the opinion of her class and reports this back to the Activettes. She also gets ideas for projects and activities that the girls would be interested in doing. The purpose of the meetings is to take up general problems and to discuss and plan new projects.

The Activettes planned and carried out

many worthwhile projects this year. A bake sale during the Christmas season was used to raise money and proved to be very successful. The Activettes were also kept busy with the job of decorating for various school functions, working in the concession stand at games, and selling ponchos.

The Girls Club Cabinet was very happy with the work the Activettes did this year and they hope that next year's Cabinet and Activettes will have as rewarding a year.

For the second year the West High School Social Studies department sponsored a model United Nations. October 22 was the selected day and the halls of West reverberated with debates on world-shaking events. The purpose of such a day is to involve students in world affairs. By playing the role of other peoples, students become aware of problems and promises, as well as the past, of their assigned nations.

Planning and co-ordinating this program

fell to the chairman of the department, Mrs. Margaret Berry. She was capably assisted by other members of the social studies staff. Bob Efird, President of the Assembly, handled the day with finesse and Judi Thompson, secretary, kept the votes straight.

At a time in our history, when the United Nations seems to be at a serious crossroad, West High students now feel closer to its problems after being made aware of them in a model general assembly.

Many students enjoyed participating in the United Nations.

With only four students on the staff who had done previous work on the Cat Log, Mr. Broetje, adviser and teacher, had a great deal of work to do to prepare the staff members for what they had ahead of them.

In the early months of the school year, class was spent in the learning of such terms as cut, copy, cutlines, running titles, bleeding, margin, and gutter. The students soon became proficient in the use of these and other terms in their work. But there was more than just new vocabulary to learn.

Gluing things together became of vital importance. Time was spent explaining the proper use of a special rubber cement for mounting pictures on cardboard to be sent to the printer. The trial and error method was employed as each student found their old skill of gluing a little faulty in this new endeavor.

At the completion of this short course in Cat Log work, the members of the staff were appointed to positions which covered various areas in the annual. Now some real thought and imagination had to be put to work as each section editor and assistant began to plan her specific pages. Tentative plans were drawn up

and presented to Mr. Broetje for his comments and criticisms. Changes were made and soon work on the "dummy" began.

The "dummy," in Cat Log language, is a looseleaf notebook with pages drawn just as they are to appear in the finished annual. Areas designated for pictures are drawn in red and labeled as cuts. The written material on each page is drawn in pencil and referred to as copy. Two dummies must be made—one for the printer and one to be kept for reference by the staff.

After the dummy is completed the real work begins. Picture appointments must be made and passes sent to students in the various classes and clubs. Extra pictures of work scenes and outings must be taken. Write-ups for the many organizations and activities must be secured. Cutlines must be typed and checked for correct spelling. It seems a never-ending task.

But soon April comes and the majority of the work is done. Last minute problems arise and bring discouragement, but the happy faces of 1800 students and teachers with a 1965 Cat Log in their hands, makes all the heartaches worthwhile.

THESPIANS PROMOTE DRAMA WITH SUCCESSFUL PLAYS

Phyllis Bertles paints posters for 'Pillow Talk.

The Thespians, under the supervision of Mr. Robert Harader, have spent many hours of work to present two fine plays this fall and spring.

In November, the cast of 'Flight Into Danger' presented an unforgettable drama. Although actually an experiment to learn of the serious dramatic abilities of student actors, the play was a success. The unexpected plane crash in the final act shocked the audiences.

The liveliness of the spring play contrasted the seriousness portrayed earlier in the year. 'Pillow Talk' proved to be a delight for the audiences as well as for the students in the cast. The comedy was another entertainment success.

It will be the future aim of the club to dwell more on the backstage aspects of a production, so students will realize that there is more to dramatics than acting alone.

When "Flight into Danger" was presented by the Thespians in the fall, its audiences never realized the confusion and terror of the actors and backstage crew. Mr. Robert Harader, club advisor and play director, was in a state of nervous tension until the final curtain.

In spite of the seemingly disastrous dress rehearsals, the play was a success. This was mainly due to the efforts of Mike House, Kristi Newbill, and Terry Linkletter, who came through with outstanding performances. The supporting actors and actresses provided the needed backing to make the play a credit to its participants.

Tense drama was revealed as George

Spencer, portrayed by Mike House, attempted to safely land a large commercial airliner. He had flown fighters in the Air Force, twenty years before, making him the only qualified man on board to take over when both pilots became incapacitated with food poisoning.

The audiences were anticipating a safe landing throughout the suspense of the play. When Flight 714 crashed in an emergency landing, and all passengers and crew members were killed, disbelief filled the audiences.

True dramatic acting came to life in the two performances. A spark of professional ability held the audiences spellbound.

AUDIENCES ENJOY SPRING PLAY, "PILLOW TALK"

Light sophistication delighted the spring audiences of 'Pillow Talk'. The sparkling comedy kept everyone laughing, except perhaps Jan Morrow.

This Attractive—but-headed-for-spinsterhood career girl, portrayed by Jann Ullock, wanted desperately to be able to use her telephone. But her party line Casanova, played by Phil Siemon, was **always** on the line. Angry at the interferences Jan brought about, Brad impersonated a naive young Texan. After much trickery and many upsets, both realized that they were in love with each other.

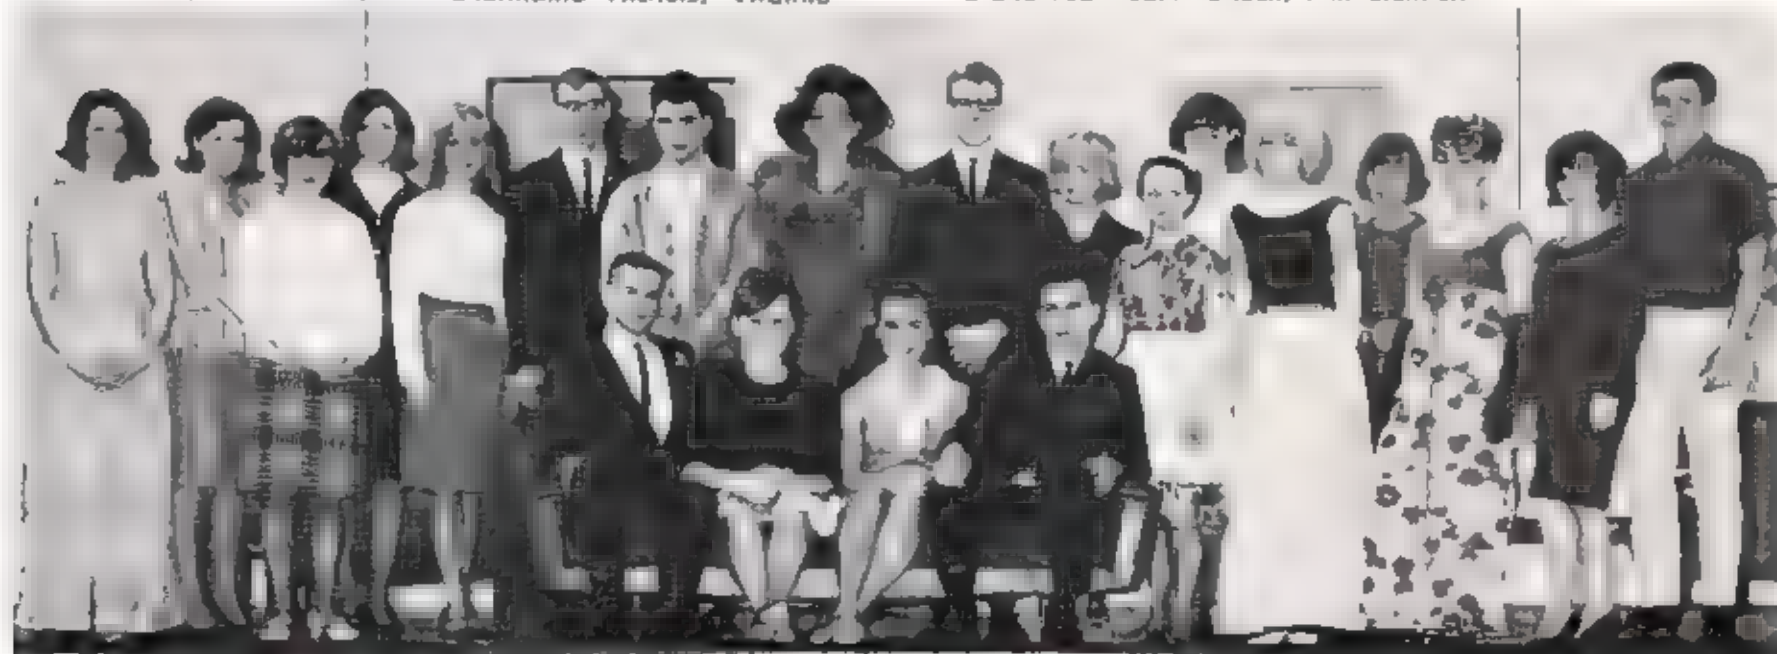

The senior cast and crew succeeded in presenting a smash hit to their audiences.

The school paper, the Lair, is distributed every three weeks, without cost, to all ASB card holders. Once a month Roto, a separate magazine supplement, accompanies the Lair. The Lair is supported almost entirely by advertisements from local firms. In addition to this, it receives a portion of the ASB fund.

The students on the staff are required to take a course in journalism before they begin writing for the paper. The quarter course includes how to write editorials, news and feature stories, and 'heads.' The students learn the meaning of copy and how to proof read. The techniques of planning pages and selling ads are also undertaken during the quarter.

The majorettes added to the enjoyment of parades and half-time shows as they accompanied the band in their frequent performances. The unique and snappy routines worked up by the majorettes themselves, were outstanding proof of the hard work and long hours necessary for excellence in performance.

During first period every day these girls work on new routines, practice them, and add to or revise them. Anyone who walks through the halls during this time can see legs flying and batons twirling.

The Christmas Court consists of a queen and a Freshman, Sophomore, Junior and Senior princess chosen by her class. A girl becomes queen according to which class collects the most food in the annual food drive. When a princess becomes queen, the runner-up in her class becomes the princess. The court is presented to the student body at an assembly.

A few hard-working Chamber of Commerce members contributed many hours to make the festivities a great success. The decorations and all Homecoming activities were sponsored by the Chamber of Commerce, advised by Mr. Bid-

well, Mr. R. Fry, and Miss Oakland.

Prior to the game with Bellarmine on Friday, a caravan traveled through town. The Court led the procession and was presented to the spectators before the game. The contest was victorious for the Wildcats.

With the theme, "Once Upon a Time," the Court reigned at a semi-formal dance concluding the eventful Homecoming week. The dance was well attended and a perfect end to the Homecoming festivities.

The Western Washington Fair, Christmas Concert, Swing Concert, Armed Forces Parade, Rhododendron Festival, and Band Concert were all part of the regular yearly activities in which the band takes part.

Dockside ceremonies for the U.S.S. Kitty Hawk, U.S.S. Constellation, and U.S.S. Sperry made extra hours of practice and work for the already busy band.

The West High School orchestra participated in many concerts throughout the year. These performances included the Western Washington Fair, Student Assembly Concert, Christmas Concert, Swing Concert, Armed Forces Concert, Spring Concert, and District Music Contest. They brought honor and prestige to West High School by receiving straight superior ratings at this contest.

The highlight of the year was a three-day excursion to Victoria, British Columbia. They presented two concerts at Victoria High School and one in the Crystal Room of the Empress Hotel. Staying in the Empress Hotel proved to be an exciting experience for both the students and the hotel personnel.

Graduation took seventeen seniors from the orchestra, but Mr. Bissell hopes to meet the challenge of this with the upcoming underclassmen.

MR. MANTZKE
Director

Modernaires is composed of students who have been selected from the other vocal groups in school because of their musical and academic abilities.

Under the direction of Mr. George Mantzke, the Modernaires have had a successful year. In February they participated in a Solo and Ensemble contest held at Foster High School in Seattle. Two ensembles, two sextets, a boys octette, and several soloists participated and received superior ratings.

Throughout the year, the Modernaires have given numerous outside performances for various groups and organizations in Bremerton. They have also found time to perform for many student body assemblies, bringing musical enjoyment to appreciative students.

Aside from the regular performances, a few of the students have spent outside time and practice to form several small groups like those sent to the contest in February.

The long practices and extra work done by both the director and the members of Modernaires made them an outstanding and successful group.

The Choralettes, a group newly formed this year, consists of Junior and Senior girls selected for their musical ability. As select in musicianship and voice as the Modernaires, their music varies from traditional to contemporary selections.

The Choralettes have performed on numerous occasions throughout the school year before audiences ranging from 20 to 2,000.

The members of Choralettes attended both the solo-ensemble and the group contests. They received superior ratings on both occasions.

DRILL TEAM

The thirty member precision drill team, under the direction of Mr. George Mantzke, performed throughout the year in various events.

Their original routines and snappy marching added color and highlight to the major school sports and other special events. These included welcoming ships that arrived in the Puget Sound Naval Shipyard—two of which

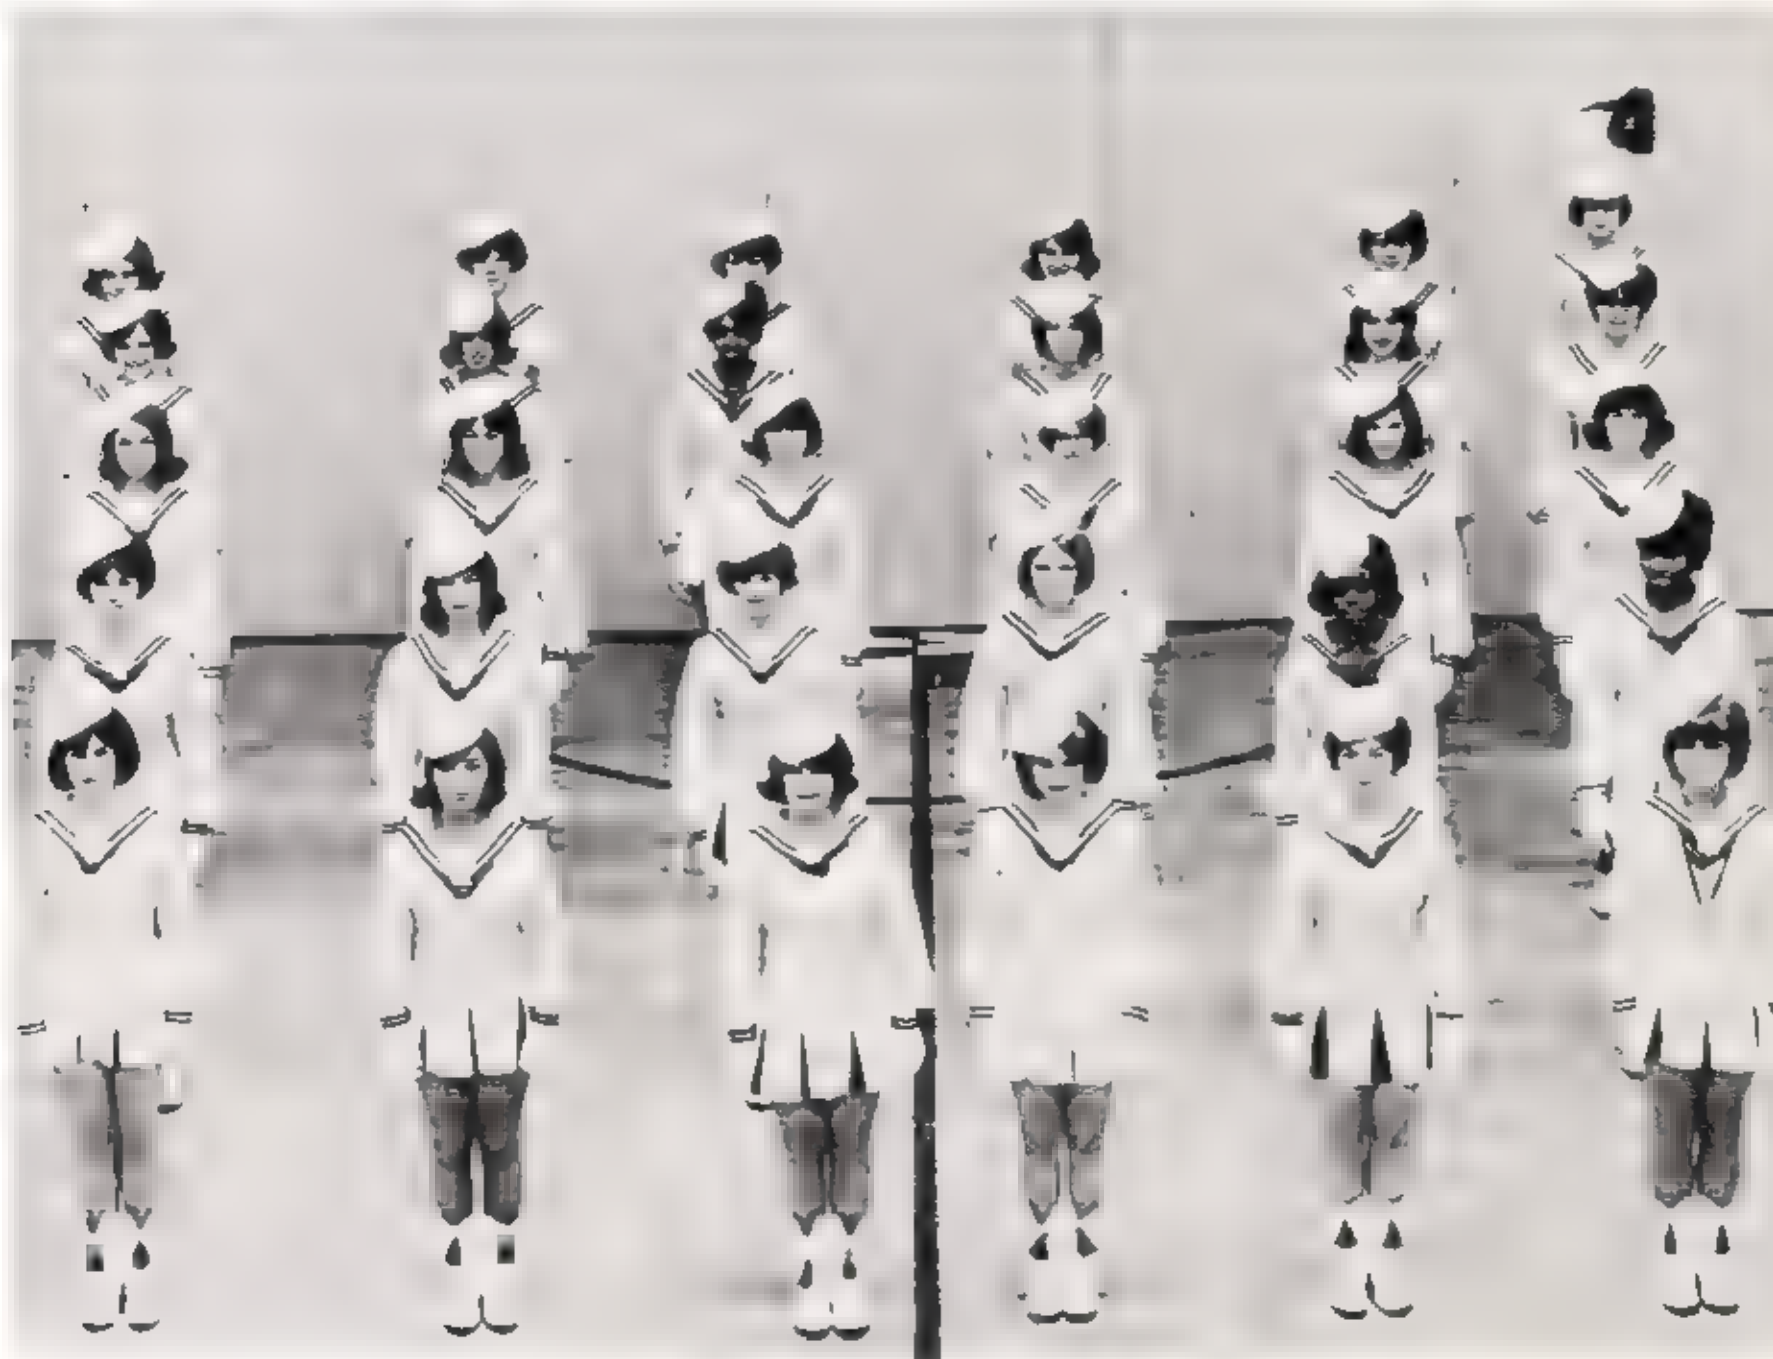

were the Constellation and the Kitty Hawk.

One of the rare opportunities a person has is to meet the President of the United States—and the members of the drill team had the honor of doing so this year when they greeted President Johnson's airplane in Seattle.

During the summer the Drill Team will perform in the Seafair, the Torch light, the Rhododendron, and the Stampede parades.

Al Bennett, Karen Couch and Jan Westra discuss plans for Pan American Assembly

The Pan American Assembly, which is sponsored by the Spanish Club, was held on April 30 this year. It provided entertainment in skits, pretty girls, and music.

Karen Couch, mistress of ceremonies, announced the court and their escorts and introduced all skits. Al Bennett gave a short talk on the Organization of American States and Jan Westra, foreign exchange student, crowned the queen.

Musical entertainment for the enjoyment of the court and the student body was provided by Mr. Bissell and the Dance Band. Jan Westra joined the band, playing an electric guitar.

A skit was presented by each language club to honor its princess. Latin Club gave an account of a young girl in Rome and the problems she encounters with her suitors. Carolyn Flynn sang a French song and members of French Club portrayed a hair stylist's headaches. A modern version of "Goldilocks and the Three Bears" was presented by Spanish Club. German Club entertained the audience with the story of "William Tell."

WILDCATS CELEBRATE VICTORIOUS HOMECOMING GAME

The outcome of the 1964 varsity football team's season is summed up in one word—victory. The Wildcat's season record was 7-0-2, and the Capital League record was 3-0-2. The 'Cats ended the season first in the Capital League in total offense and total team defense. Only three teams—Mt. Tahoma, Aberdeen, and Lincoln—were able to score against the West squad.

Although the varsity defeated their co-champion Stadium 16-0, two ties with Wilson and Lincoln cost the 'Cats first place in the league. The ties were the first in the eighteen years in which Coach Semancik has been coaching.

Six Wildcats nailed down positions in the All-Capital League. They were: tackle Pat Le-

Tourneau, center Bruce Horish, guard Keith Baggerly, halfback Rod Johnson, tackle Mike Peterson and fullback Larry Thatcher who was also named to the All State second team. John Jackson, Dale Erstad, Gary Shute, and Charles Richardson received honorable mention.

The award winners, who were chosen by the team members, were Larry Thatcher, who was named Mr. Football; Gary Shute, who was presented with the Inspirational Award; and Bruce Horish, who was elected Honorary Captain.

Although graduation will take most of the experienced team members again this year, next year's squad is expected to show a lot of promise.

The West High Wildcats junior varsity ended the season with a two-way tie for first place in their Olympic League class. Their season record was four wins and one loss.

In their first game of the season on September 21, the sophomores dominated the entire game, beating South Kitsap 20-0. The second game was on September 28, and found the sophomores with another victory by beating East 6-2. The one West touchdown was made by Dwight Ryen.

In their next game on October 5, West outmaneuvered the Shelton Highclimbers with a score of 27-13. As a climax to their four game winning streak, they had a decisive win over Stadium, 51-0. The only loss of the season was dealt the sophomores by the Central Kitsap Jayvees. The team ended the season with a victory over the Port Angeles Roughriders, 7-0.

At the awards assembly held on January 5, Mike Matlock won dual honors by being elected both Captain and Mr. Football by his teammates. Brian Buskirk was elected Inspirational player of the sophomore team.

WILDKITTENS REMAIN UNDEFEATED IN LEAGUE GAMES

West's freshman team, with a strong offense and a tight defense, took first place in the county league this season with a 4-0 record. Their over-all record was 5-1, losing only to Port Angeles in a non-league game.

The Kittens started the season by beating both Central and South 6-0 in the jamboree. In their first league contest, the team fought hard to beat Central by a 6-0 score. Then came their only loss of the year, to Port Angeles, by a 19-6 score. Port Angeles capitalized on two intercepted passes to win.

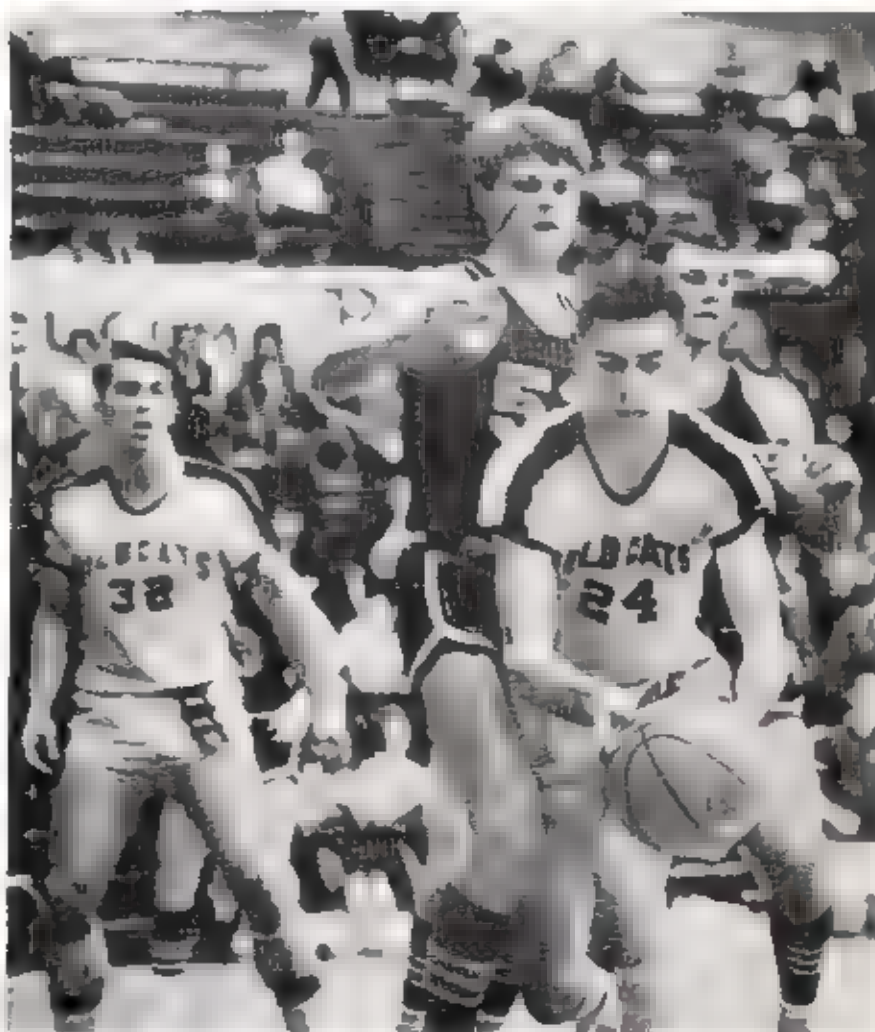

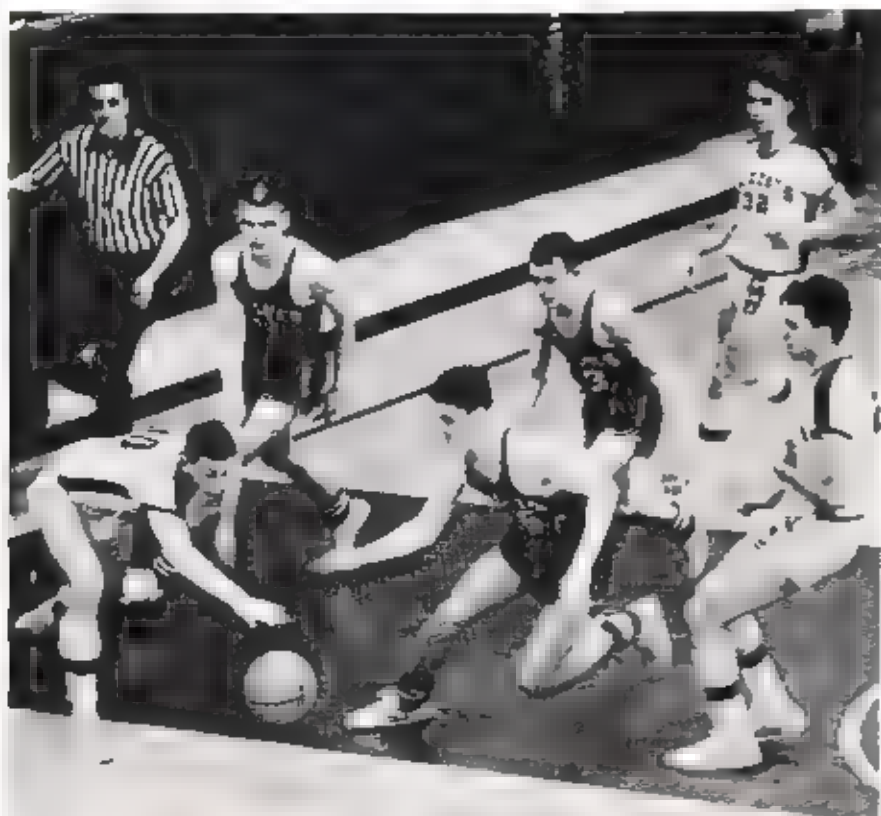

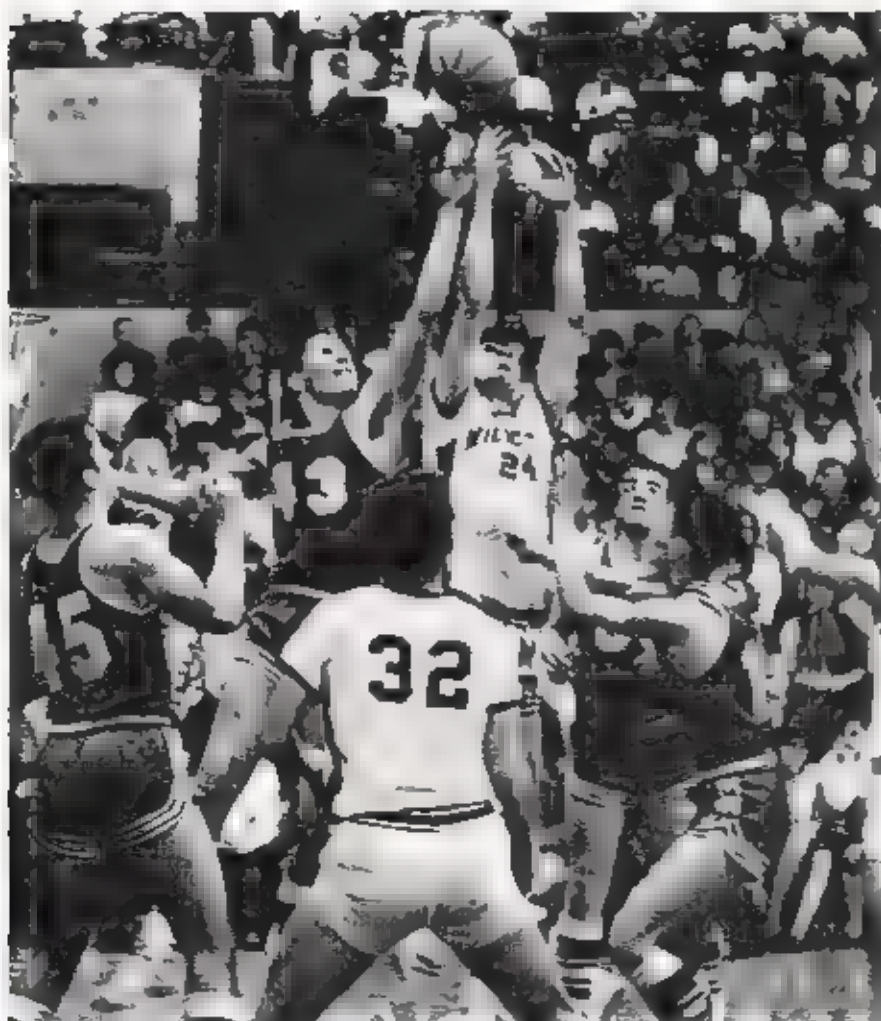

The frosh got back on the winning track by taking North Kitsap, 12-7. Bruce Larson racked up a fantastic 202 yards in this game to take the honors. In their next encounter against East, the Kittens rolled to a 19-6 win. Jim Kruchowski scored twice for West. The next game was with South, which West won, 7-0. Randy Holt ran for 84 yards which included a 47-yard scamper. To finish the season the Kittens beat East again in a non-league game, 12-6.

WILDCATS STRONGER ON HOME FLOOR THAN ON ROAD

This year's basketball season started both slow and on the road for the Wildcats. They returned home the next week to thrill local fans with three straight wins on their home court. By the end of the season, our Cats had turned into one of the undisputed powers of the area. Coach Smith and his cagers showed a remarkable advantage in the West gym by rolling up an eight win, two loss home record.

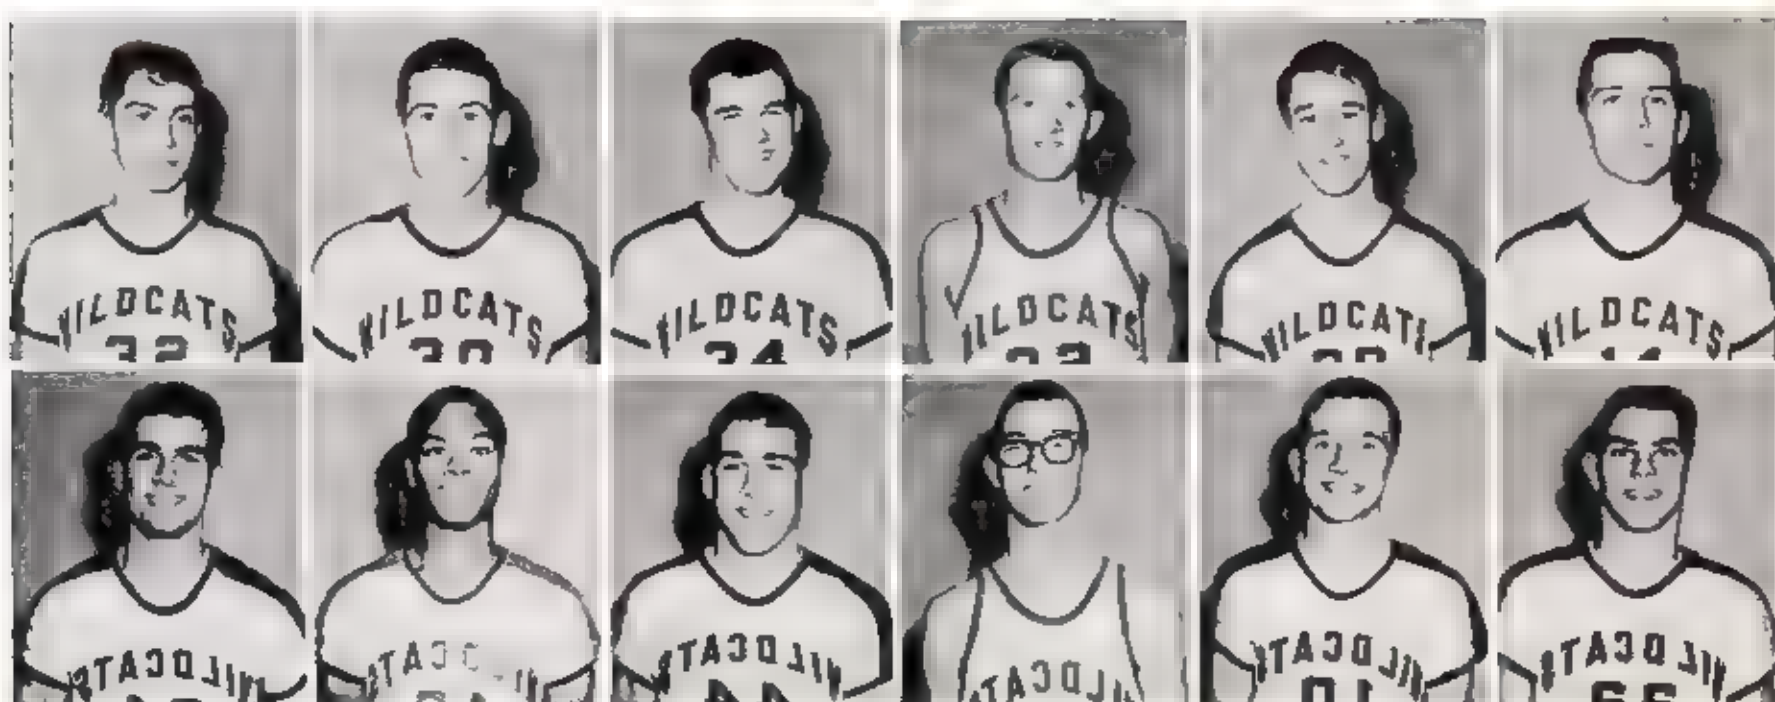

This year's pinnacle of success came with our sound defeating of heavily favored Sumner, the first place team in the Seamount League. This victory came in the first game of the District Tournament.

West was led this year by its two outstanding senior forwards, Larry Thatcher and Terry Pudas. Thatcher led the team in scoring and was selected for the All-Capitol League second team, while Pudas captured rebounding honors for the Wildcats.

At the end of the season, the team chose Gary Shute, Honorary Captain, Leonard Costello, Inspirational Award winner; and Larry Thatcher, Ken Wills Memorial Trophy recipient.

JUNIOR VARSITY PLAYERS GAIN NEEDED EXPERIENCE

The West High Junior Varsity team has not had a most successful year, but they have developed real talent. Leading in scoring for this year are Brian Harden, George Smith, Terry Durst, Jim Hoffman, and Dwight Ryen.

With a total of six wins and fourteen losses, the season was not classified as one of the best. Coach Wayne Jensen comments that although they had a rough season, he is confident that next year as seniors they will be a powerful and highly efficient squad.

Experience, patience, and hard work has been a credit to the Junior Varsity team and it is hoped many will continue next year and play varsity basketball for West.

The Sophomore team's second year proved to be highly successful under the new coach, Dave Knutson. The team ended the season with a 9-3 record.

In the first game, West defeated Bellarmine 37-26. Dwayne Ryen led the scoring with 19 points. The next game saw Mt. Tahoma defeated by West with a score of 48-36. Then the Wildcats lost to Vashon's Junior Varsity twice in a row. The next three games saw West defeat South Kitsap, Bellarmine, and North Kitsap. Next, the Wildcats traveled to Bainbridge, but were defeated by the Bainbridge Junior Varsity. The next three games were considered the highlights of the season by coach Dave Knutson. West defeated South 43-42, North 44-43, and South again, 51-40.

The team was paced through all the games by the scoring of Dwayne Ryen and David Lynch. Mike Matlock, Pat Munns, and Howard Strong contributed with points and rebounding.

According to Dave Knutson, "The team had a real successful season, and the boys developed exceptionally."

FRESHMEN DEVELOP SKILLS FOR FUTURE BASKETBALL

The Freshman basketball team was, again this year, coached by Don Matheson. The team finished the season with a six win and five loss record.

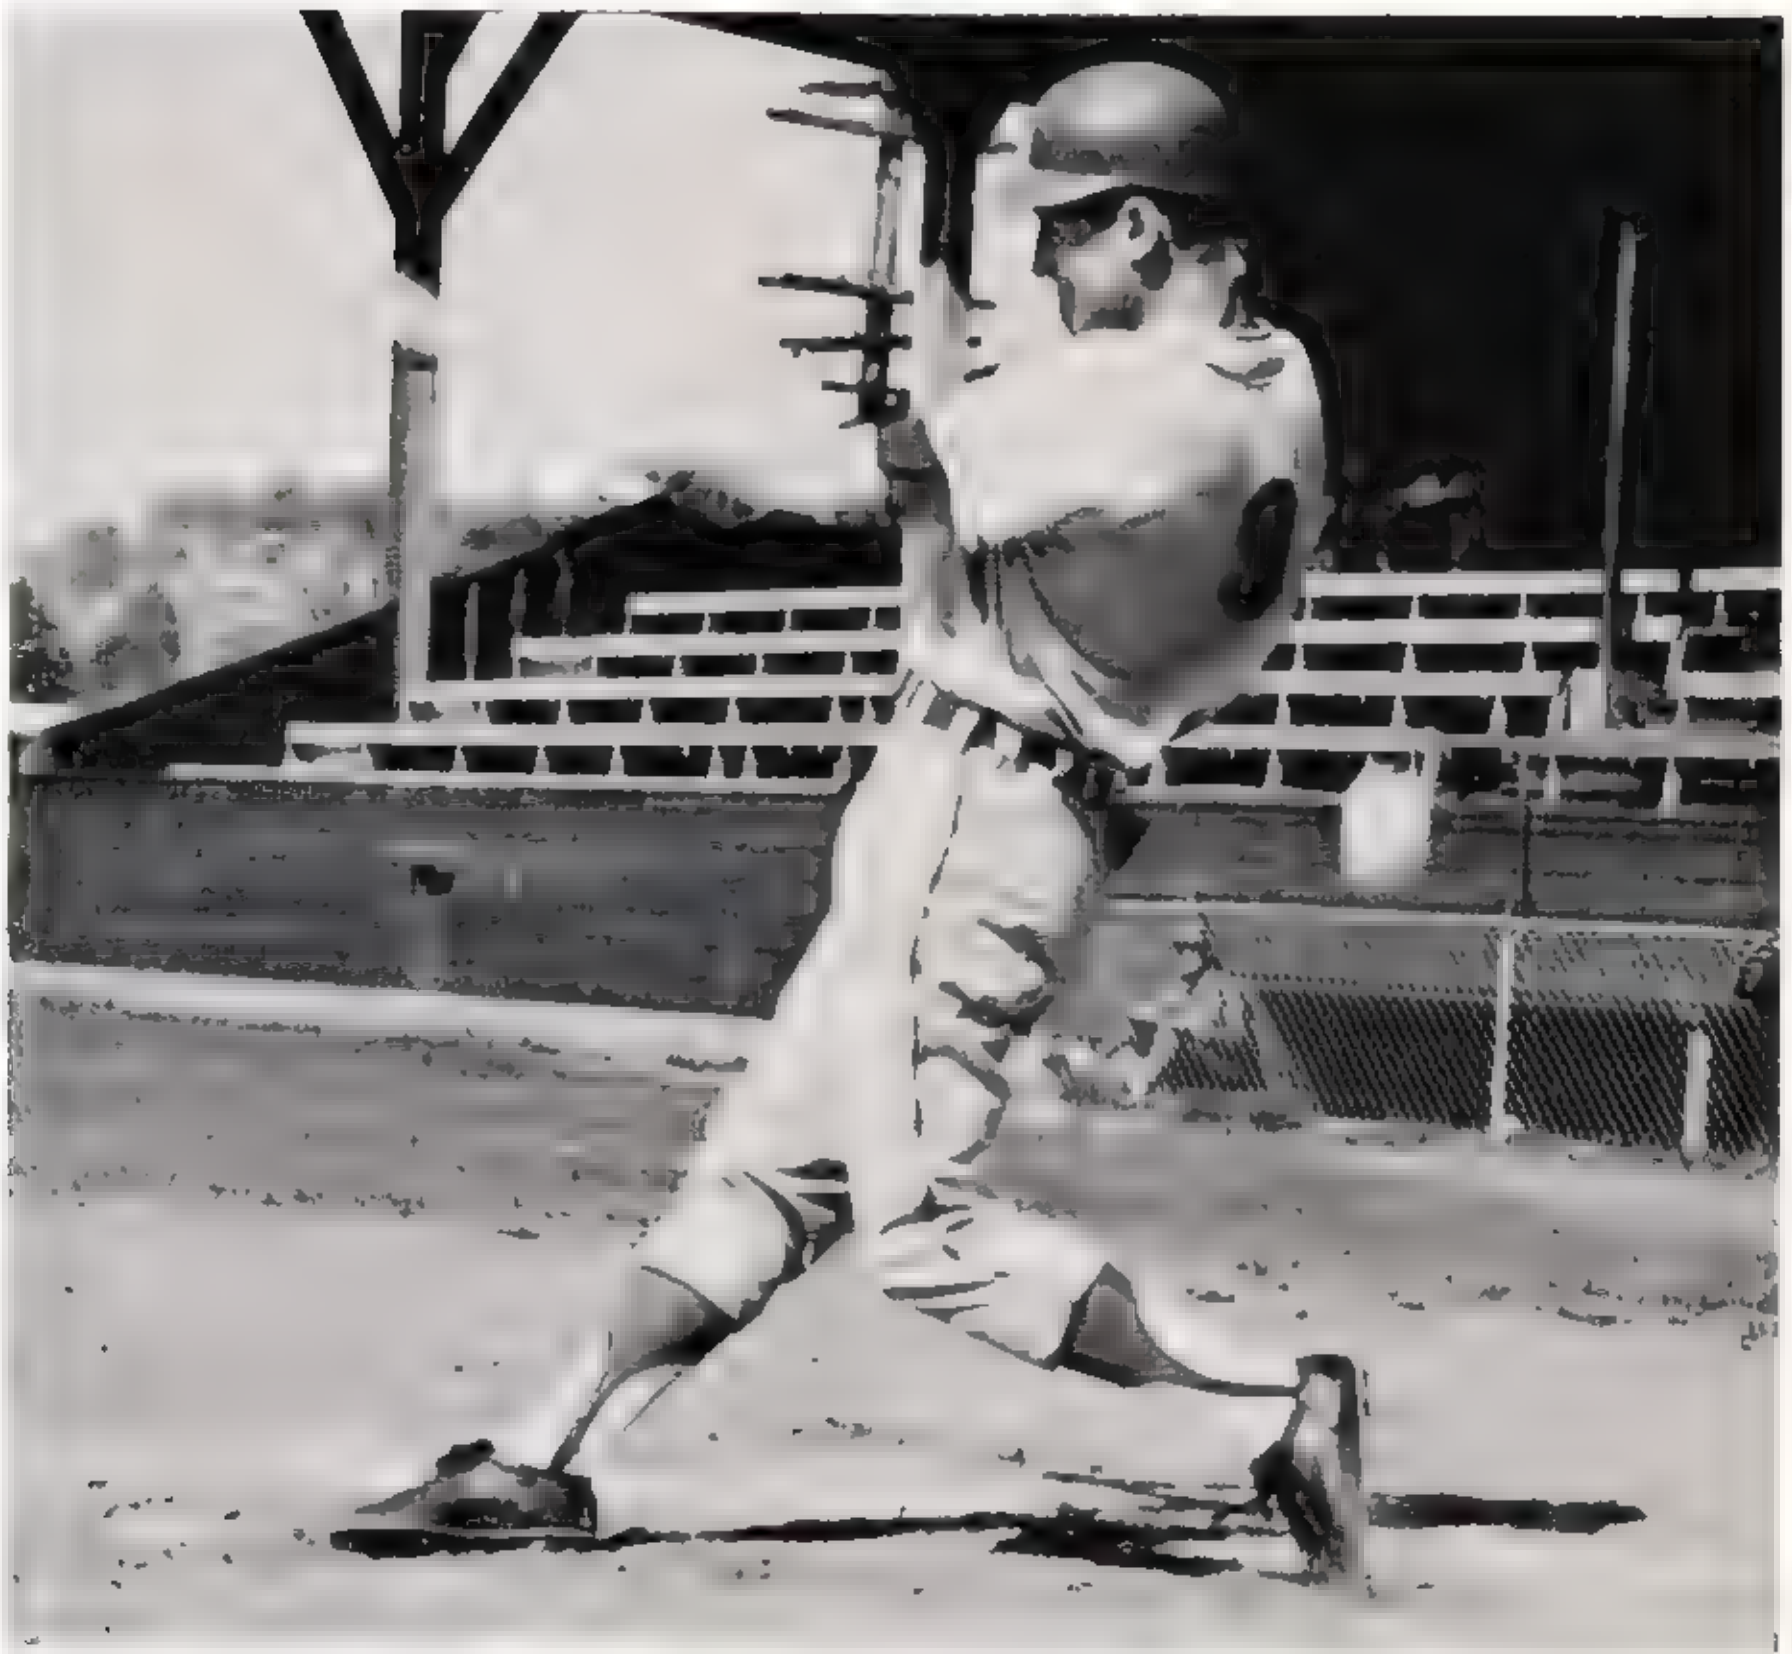

In jamboree action at the beginning of the season the West High Kittens defeated Marcus Whitman, East, and Bainbridge Island.

The final game of the season, a high point for the freshman, was when they won over the North Kitsap frosh 50-29. Rick Herdman was the games high point man with ten points to his credit. During this same game John Sitton scored nine points and Frank Jackson followed him with eight points.

High scorers for this years team were Steve Larson, Rick Herdman, John Sitton, and Frank Jackson.

Next year it is hoped that many of the freshman who have played this year will continue to play sophomore basketball here at West High.

VARSITY TEAM WORKED HARD TOWARD PERFECTION

This year's varsity baseball team, although short on pitching and experience, showed great promise at times and produced several fine players. The team consisted of six seniors, nine juniors, and three sophomores. With this many non-graduates, next year's outlook is certainly bright.

The Wildcats began the season with four straight wins, beating North Mason twice 19-1, and 14-0, South Kitsap 4-3, and Central Kitsap 5-0. They then lost to East 6-1, and beat Vashon Island 1-0 in ten innings. At this point Wilber Wade's diamondmen began the tough Capital League action and lost four straight games.

Catcher Butch Holt, center-fielder Greg Gran, and pitcher Punk Costello were the only three year lettermen on the team, with first baseman Bud Marshall, left fielder Ed Stewart, and third baseman Al Treadwell rounding out the list of seniors, all of whom started at their respective positions.

Promising juniors were shortstop Jim White, second baseman Jim Hoffman, third baseman Warren Sherrill, catcher Darryl Stuart, and pitchers Brian Harden, Terry Brennen, and Frank Baines.

Butch Holt, who had been catcher for West High for four years, was elected team captain.

FROSH BASEBALL TEAM PREPARES TO BECOME VARSITY

Randy Holt practices his pitching skills during pre game warm up

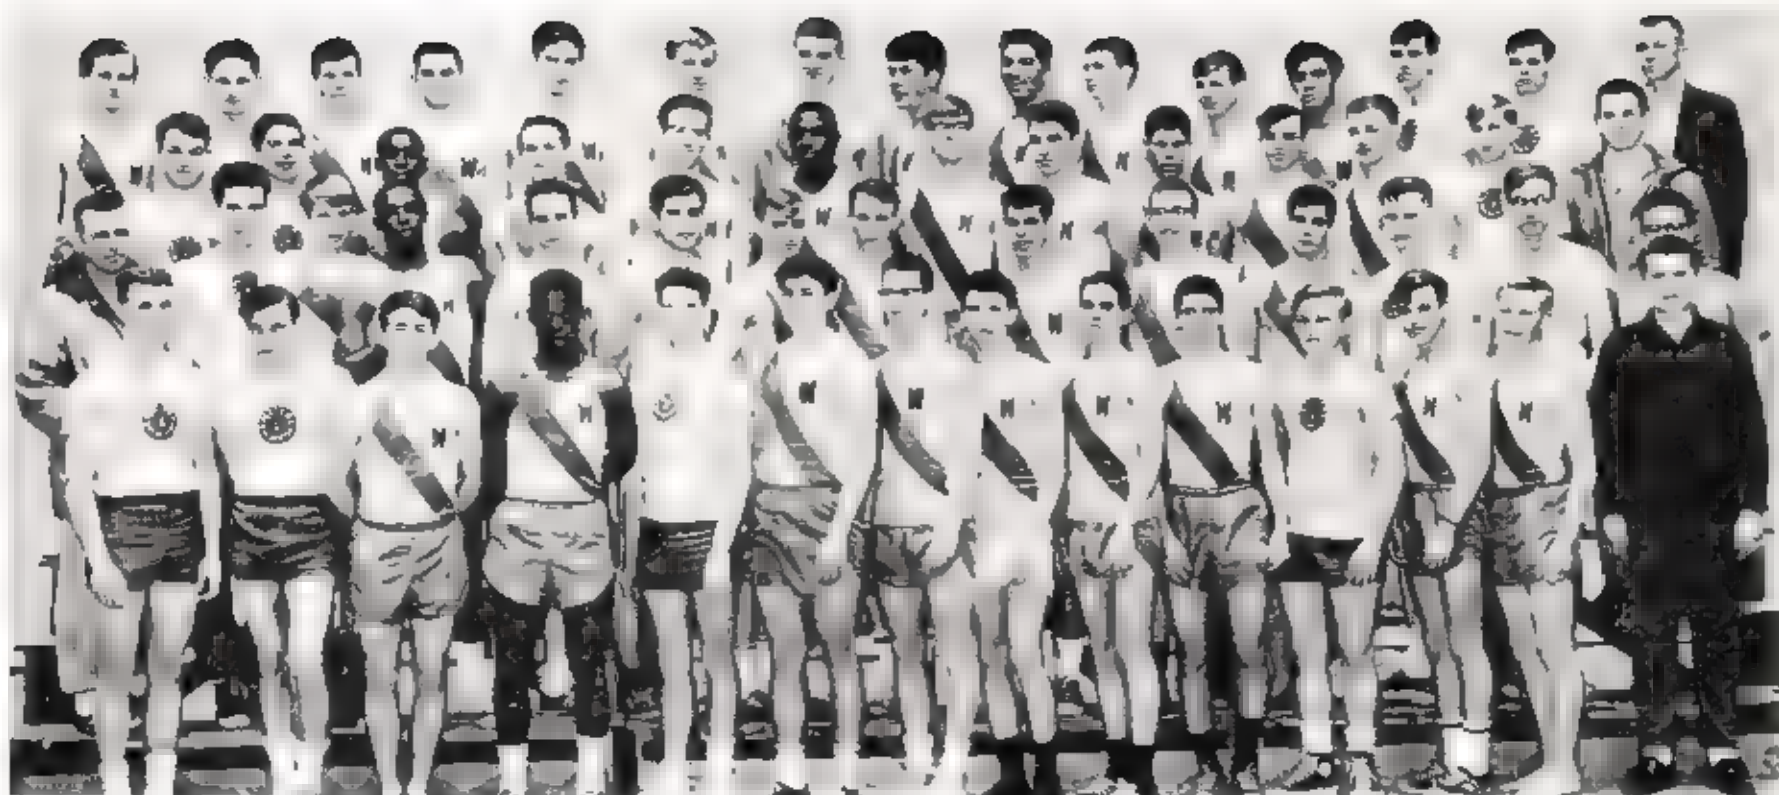

The Freshman baseball team under the inspiration of Coach Al Smith displayed a great deal of hustle and desire. After a slow start they came on strong at the end of the season to show future potential.

They dropped their first two games. Losing to Marcus Whitman 3-0 and Bainbridge 4-3. They won their third game with an 8-7 victory over East, with Steve Lusk gathering three for three. In the fourth game of the season North Kitsap beat the Freshman 6-1. Showing great determination the Kittens went on to defeat Central 6-5 and then tripped Marcus Whitman 4-2.

The pitchers for this year's team were Randy Holt, Mike Wirsing, Steve Larson, and John Sitton. The team's field captain was John Sitton. The outstanding hitters were Mike Wirsing, Randy Holt, and Frank Jackson. The team is now looking forward to a Varsity try.

WEST HIGH TRACKMEN SHOW STRENGTH AND STAMINA

West wins the relay as Ken Tropple is first across the finish line

The track team, under the direction of coach Duane Carlton, had a very eventful season this year. West defeated Bellarmine in the first meet of the season 84-43 and ended the season by defeating the Wildcats rivals, the East High Knights, 70-66.

Many outstanding runners provided for most of the team's nucleus. Some of the runners were Darryl Hanberg and Larry Hudson—the two mile, John Blair and Mike Brewer—the mile and half mile, Jim Brewer—the 440, Ken Tropple—100, 220, 440, and 880, and Joyce Thomes—the 100 and the 220. Although there was a lack of strength on the field there were consistent point getters there. They were Larry Thatcher—the broad jump, Terry Liebmann—the pole vault, and Bob Christensen—the discus. The graduation of only a few seniors and some good up-coming freshmen give the promise of a better season next year.

The Cross-Country team went through the entire season, including the county meet at Kitsap County Golf Club, undefeated. Mike Brewer grabbed a first place, a South team member second place, and an East member in third. None of the team members who were awarded letters graduated this year, therefore next year's experienced team should have a very successful season. Bob Blair takes his turn at pole vaulting during a local track meet.

The varsity can look forward to a good season next year with the added cinderman, from the 'kittens, who earned many blue ribbons with the guidance and supervision of their coach, Elwood Furseth.

After the Marcus Whitman Relays, in which the Freshman track team placed fourth, they came back to scalp Central Kitsap and North Kitsap. Although they lost to Marcus Whitman, the team showed signs of being the best Freshman team ever.

Some promising boys are Allen Diefendorf, hurdles; George Jessup, half mile; Bruce Williams, shot put; Steve Peterson, discus; Larry Kabelac, high jump; John Galvon, broad jump; Steve Hubert and Tom Dunn, sprints; and Bob Blair, pole vaulting. Not mentioned are many more outstanding boys who make up the rest of the team.

Jim Ratley performs on the rings during a local meet

The West High Gymnastics team, under the direction of Mr. Field Ryan, had a season of four wins and six defeats.

The high point man in tumbling, free exercise and trampoline was Chuck Salmon. On the side horse and long horse there was Dale Guimond and Hilton Kerth on the parallel bars.

At the State Invitational Meet held in Pullman, West was represented by seniors Chuck Salmon and Dale Guimond, and sophomore Jim Ratley. Salmon placed eleventh on the trampoline and Guimond took thirteenth on the side horse.

Gymnastics is a growing sport and is open to all boys of all physical abilities.

MATMEN TOOK SECOND PLACE IN CAPITAL LEAGUE

West High's wrestling team had a successful season this year, finishing with a 10-1-1 record. The only cause for disappointment was a 22-21 loss to Stadium in the battle for the Capital League Championship, but the Wildcats still came up with a second place. For the first time in its history, the West wrestling team competely blanked their opponents with a 54-0 win over Belarmine. The grapplers with outstanding season records were Randy Brooks 12-0, Dick Bell 10-1, and Ezra Adams 10-2. Dale Erstead, with a 9-2-1 record, came through with some important clutch victories. Brooks was the top point-getter with ten pins during the season.

Dick Bell, Bob Aduddell, Randy Brooks, Lyle Bal ew, Don Ditter, and Ezra Adams quali-

fied into district competition by winning in sub-district. Three of these continued their winning ways by placing at district. Bell took 3rd in the 106, Brooks took 1st in the 136, and Adams took 4th in the 194 to advance into the State meet held in Seattle. Adams was the lone entry to place at State, as Brooks and Bell were eliminated after the first round. Adams brought home a 4th place medal.

Seniors on the team this year were Randy Brooks, Harry Majer, Danny Ditter, Keith Baggerly, Ezra Adams, and Dale Erstead. Among the prospective matmen for next year's team are Dirk Bell, Bruce Buskirk, Jim Creelman, Bob Aduddell, Butch Geddicks, Craig Broussard, Lyle Ballew, Ken Tropicke, and Terry Peterson.

WEST'S GOLF TEAM EXERTS EFFORT AND WINS MEETS

West High's golf team, under the direction of coach Reed Fry, enjoyed a very active season. Mike Ogg maintained the coveted first position throughout the season with Mike McMahon, Dick Green, Mike Hanberg, and Larry Hall battling for positions on the first team.

The second team failed to win any of their meets, but these upcoming golfers gained valuable experience for the coming seasons. The second team consisted of Tim Higgins, Mike Elmore, John Munns, Dwight Olsen, Mark Holzemer, Don Perry, and Tim White.

The West High tennis team had difficult going this year with only one returning letterman, Mark Hoffman elevated to the number one position, closely followed by Randy McKiernan at number two. These two Seniors joined forces for the big doubles during most of the season. A large number of players were used during the sixteen match season to insure improvement for the following years. Don Baker and Jerry Kemp completed the senior strength while Juniors dominated the lower Varsity positions with Bob Edwards, Tom Scharf, and Paul Ingman. An outstanding Freshman, Tracy Berquist, along with two promising Sophomores, Leonard Collins and Frank St. Peter saw action in the Varsity lineup directed by Coach Kent Heathershaw.

WEST'S TENNIS TEAMS WORKED FOR IMPROVEMENT

This year's participants on the Girls' Varsity Tennis team have had a busy season. They have been seen practicing vigorously every Wednesday and Friday afternoons since March 1st. This practicing has resulted in an exceptionally fine season.

The schools that were played were all those in the Olympic League and Olympia.

"A girl for every sport, a sport for every girl" is the motto carried out by the Girls Athletic Association of West High School. As this motto states, sports are offered for nearly every athletic interest. Girls who like to work alone have archery, gymnastics, bombardment, table tennis, and badminton. Team sports provided include volleyball, baseball, and basketball, among others.

To earn a letter in GAA, a girl must accumulate at least five hundred points. Each time a girl attends an after-school turnout, she receives ten points and earns fifteen bonus points for attending all turnouts.

Two select groups composed of GAA members are the sportheads and the Girls Intramural Officials Association. Sportheads are responsible for supervising turnouts of the sports which

At the end of each sport season during the year, GAA members elected girls of their respective classes to represent them in class competi-

tion; class teams played for championships, the winners becoming the all-star teams. These teams were recognized at annual awards banquet with a trophy.

TROPHY PRESENTED TO BEST ATHLETE AT BANQUET

George Egan and Roger Gehring carried the victory lantern for the Homecoming Coronation

This year Lettermen's Club, led by its officers—George Egan, president; Mark Hoffmann, vice-president; Butch Holt, secretary-treasurer; Greg Gran, Sergeant-at-arms; and Roger Gehring, inter-club council representative, opened the year with a somewhat empty calendar of events but soon filled the vacancies with numerous activities.

Mr. Knutson, the new adviser, commented, "The experience I had this year will enable me to assist next year's club with a greater degree of knowledge."

At the annual Lettermen's Club banquet, a trophy was presented to the best athlete of the year. The boy or boys that qualify for this award are those who contribute the most to the sports activities throughout the school year.

During the winter season, the club was given the duty of guarding and ringing the new 'Victory Bell' at all of the sports events. Barb Fowler, president of the Girls Club, obtained this bell for the school early in the year.

As the spring months commenced, the club made plans for a spring rock n' roll dance. This was in keeping with the spring feeling. The Lettermen's Club also made plans for various other

activities. One of these was an initiation for all the new winners of a varsity letter during the first semester and who wished to join the club. Many schemes were connived as to the deeds which the club could use on these new members.

It is hoped that next year's lettermen's club will enjoy an even more successful year with at least one hundred new members because the success of the club depends upon the participation of its members. The lettermen's club has possibilities of being one of the most important clubs at school as it is comprised of the most active, sports-minded boys in school.

This year's Pep Club with a membership of two hundred seventy-seven students was one of the largest and most important clubs in the school. Promoting school spirit and keeping it high through both wins and losses was its primary objective.

For this year's money-making project, Pep Club sold blue and gold pom poms. Members also worked hard at the concession stand to raise money.

The uniforms of the officers consisted of a blue and gold top, a blue A-line skirt, matching blue socks and white tennis shoes. A pep emblem in the shape of a 'W' was worn with the outfit. Pep Club members wore the same style

outfit with the exception of a smaller 'W', making the pep section more impressive.

Fifty male members added a needed bass quality to the usually high-pitched cheering section.

The club gained a new adviser, Miss Logan, who helped in making suggestions and in directing the activities of the club.

This year, a representative from each class was chosen to supervise the painting of signs before basketball and football games.

Without the hard work accomplished by the pep club members, West would be lacking much of its widely known school spirit.

PHOTO MEMBERS DONATE VALUABLE TIME TO SCHOOL

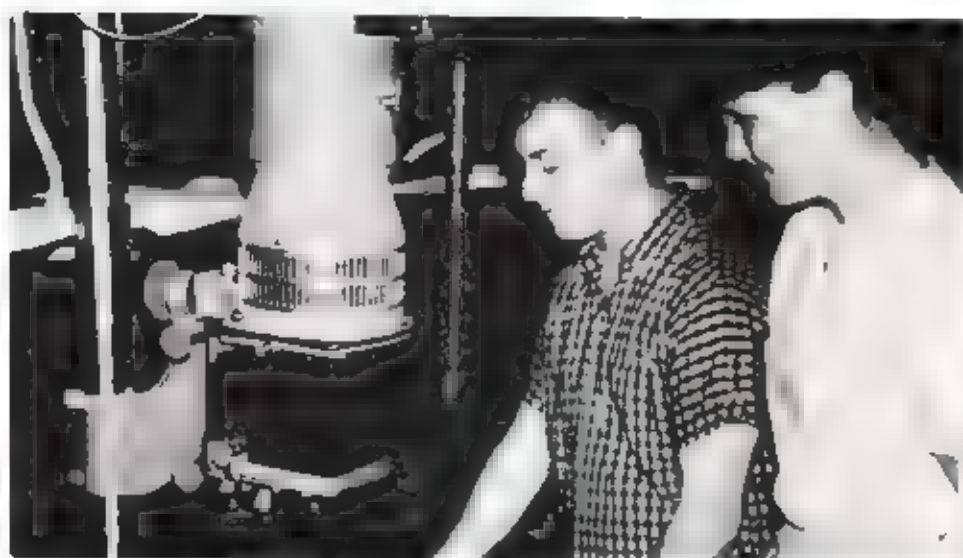

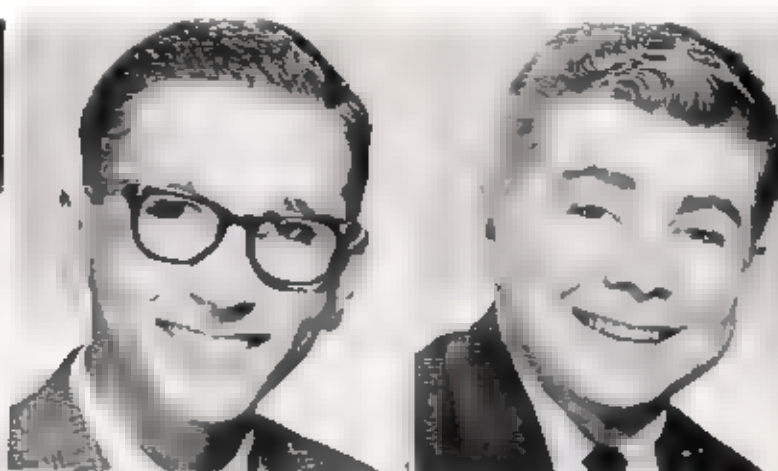

Photo students learn to operate the processing machine.

The purposes of the Photography Club are to further the development and interest in photography as a hobby and to serve the school in any way concerning the taking of pictures.

This year the club held a candy sale and a photo contest for the entire school. The most important project this year, however, was the taking and processing of more than 1900 pictures for next year's associated student body cards. The members first photographed all of West High School's next year's sophomores, juniors, and seniors. They then travelled to Coontz Junior High School and Star of the Sea School, where they took pictures of the freshmen for next year.

Gail Hamilton was chosen as vice-president of the club for the second semester to fill a vacancy.

MEMBERS ACTIVELY PARTICIPATE IN SKI TRIPS

What did the West High "Fresh Air Fiends" turn their thoughts to as the first weeks of the new school year began to rub? Why, the Outdoor Club, naturally! Fall hikes provided the fresh air, but that was not all. There was always plenty of water for everyone. Hikes, like this year's hike to "Enchanted Valley," made it all worthwhile. Three days of gorgeous sunshine and views of splendor provided many unforgettable memories to those who went. "Roughing it" was somewhat minimized by a rustic chalet in the valley. Various hikes into the surrounding mountains from this base were taken.

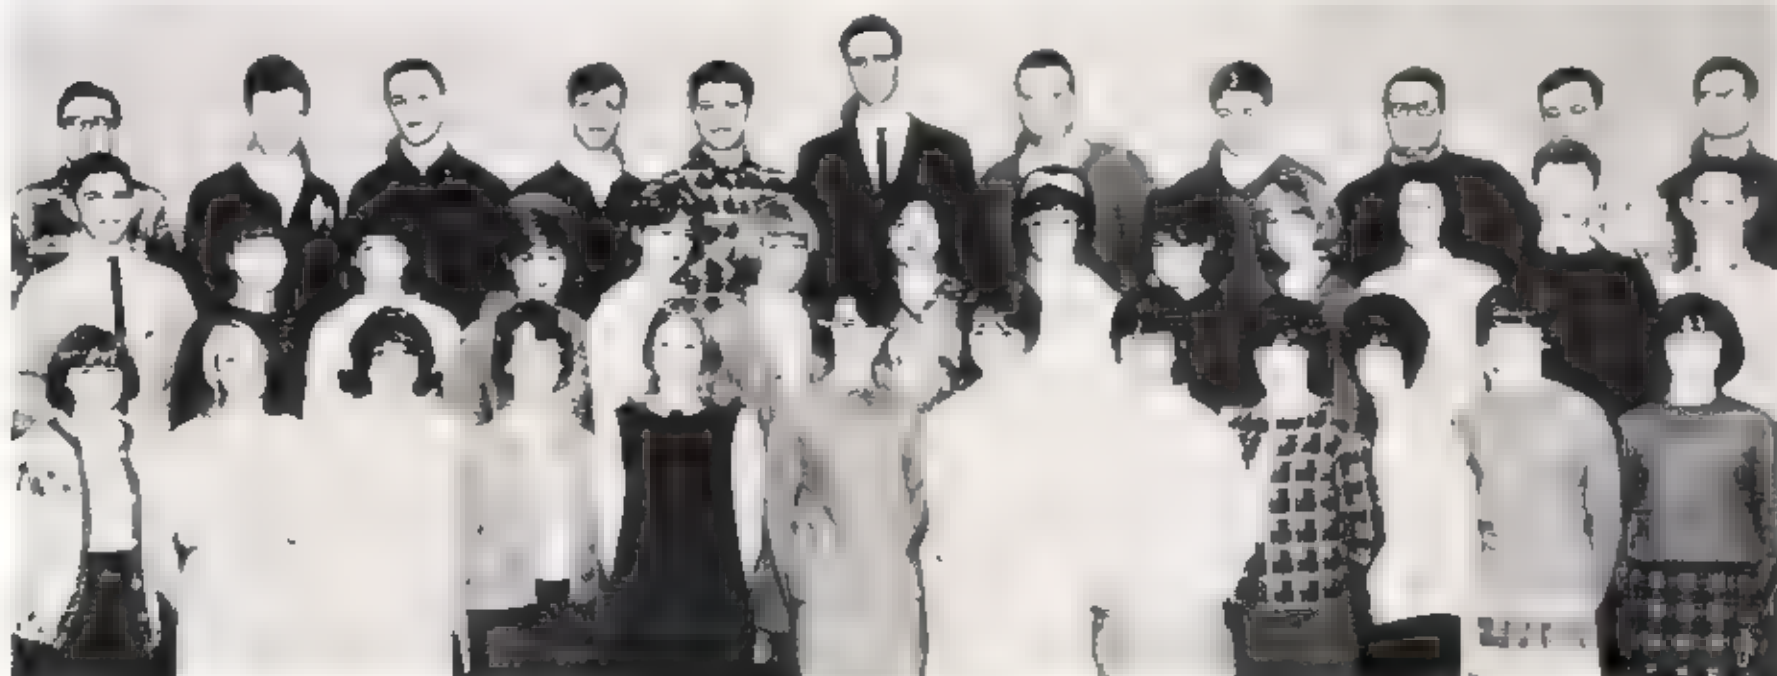

Later hikes to Deer Lake and Flapjack's Lakes provided the "rough stuff" so many mem-

bers enjoyed

After an autumn of getting in shape, members were ready for a ski trip to Steven's Pass in early December.

Then, without warning to some, the most anticipated event of the year loomed forward. To others, the five day Mt. Baker trip during Christmas vacation had been thought of and planned for long months in advance.

With fun tucked under their belts and shenanigans up their sleeves, the outdoor clubbers set out. The following five days would long be remembered. Full days of skiing did not tire the lively set, but only seemed to spur them on for the fun that followed in the evenings. Hilarity

reigned as some of the more talented in the group entertained with original skits. Hootenannies, dances, tense games of chess and cards, movies and slides provided plenty to do for every individual. Not until the two full buses had arrived home to West High and everyone had parted did the fun come to an end.

For the rest of the season, skiers spent Sundays at Crystal Mountain, White Pass and Steven's Pass.

As warm spring days melted away all traces of the vigorous sport, packs were once again slung over shoulders and a weekend amid the salt spray and sunshine of the ocean was underway.

OUTSTANDING FUN-FILLED YEAR ENJOYED BY ALL

Many skiers gather in front of the bus which brought them to Mt. Baker for a picture before rushing off to the peaks which await their arrival.

Outdoor Club provided more activity for its members than any other school club, as well as supplying an incentive for its members to be more active. Activity and service points may be earned and the highest point holder at the end of the year is able to go on all the trips of the following year free. This year Bob Efird was the privileged individual.

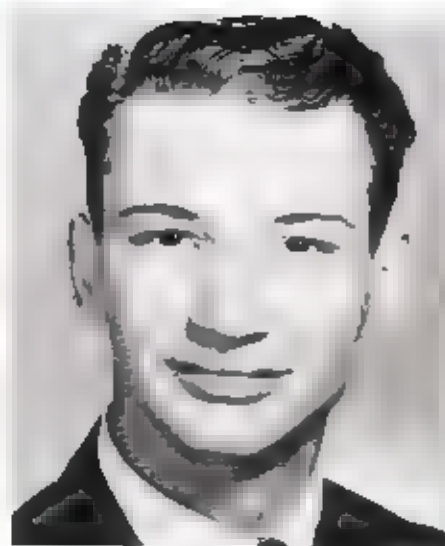

How can one earn these points? By selling at concessions during basketball and football games, and by helping the club in any way. More points may be obtained by attending the monthly meetings in the evening and by going on the various trips during the year.

The purposes of the club are to promote good sportsmanship, instruct students in the usage of proper equipment and safety procedures of the out-of-doors, and to stimulate appreciation for the beauty of the Northwest.

This year a new adviser, Mr. Dale Fredrickson, was able to supply members with new information on outdoor survival and comfort. He is now, and was before coming to West, an active outdoorsman.

The club has its own personal photographer. Mr. Chet Ullin has been with the club for many years and it has become a tradition for him to take pictures on the club ski trips—especially the five day Mt. Baker trip.

The officers this year were: President, Bob Efird; Vice-president, Jim Ullin; Secretary, Patty Shank; Treasurer, Chris Stoffel; Publicity Chairman, Jack Guy; Membership Chairman, Dirk Gleysteen; and Entertainment Chairman, Suzy Munns.

The Operators Club is a service club whose aim is to improve the knowledge of its members and the entire student body in all areas of school life through the use of Visual Aids.

Club membership is open to any member of the West High School Student Body who has a desire to serve his fellow students and who can pass a standard test. This test consists of operating the various machines including threading, setting them up, tearing them down, and splicing broken film.

All operators must serve at least thirty hours on their own time to earn a letter which is their reward for a job well done.

The officers for this year are president Russell Butler and both secretary and inter-club council representative Eldon Wall with Mrs. Carter and Mr. Hurney as the club's advisers.

JUNIOR RED CROSS

This year the Junior Red Cross held its annual money drive in December. This drive was a success due to the many generous students who participated.

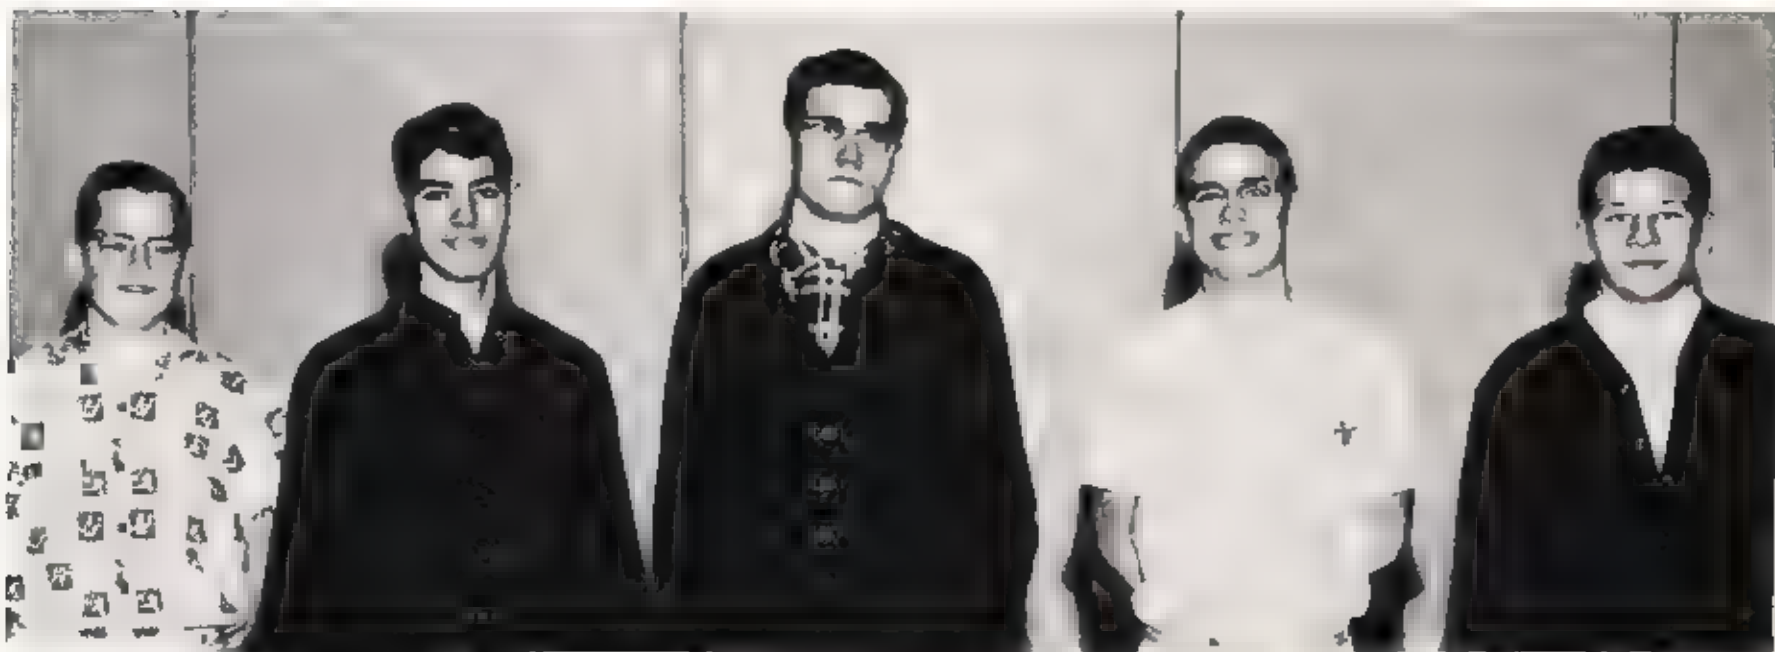

Taking up much of the member's time was the making of two scrapbooks to be sent to our foreign exchange students' schools in Japan and the Netherlands. It is hoped that they will also make a similar scrapbook of their schools for us.

Led by president, Cheri Williams; vice-president, Judy Lynch; secretary-treasurer, Donna Walsh; and inter-club council representative, Leslie Emery, Junior Red Cross had a very successful year.

STAGE CREW

Composed of a group of students organized to take care of setting up and operating sound equipment necessary for all school activities, the stage crew proves to be an asset to West. These boys remain behind the scene operations; thus they are seldom noticed by the audience. Members, therefore, receive little, if any, recognition for their efforts even though they are such a necessary part of school life. They are present at every occasion that may arise—football and basketball games, assemblies, plays, and concerts, to name some of the most important.

STUDENT LIBRARIANS

An interest in library work usually characterizes those who serve as student librarians.

There is always much to be accomplished in order to produce a well-regulated library. Of the several routine jobs, the favorite one is at the circulation desk where checking out books at the book charger and operating the timer provide a chance to become acquainted with many students from all classes. Other jobs include shelving books properly and keeping them in order. It is also compulsory that the magazine room be in order at all times.

Student-librarians learn library skills and receive valuable job-training.

HOMEMAKING CLUB

With the cooperation of the officers—Eileen Outka, president; Linda Finley, vice-president; Judy Lynch, secretary; Jean Beckett, treasurer; Carol Finley, inter-club council representative; and the other members, the Homemaking Club has participated in many activities. Service projects, demonstrations, cup cake sales, and the annual cake decorating contest are just a few. These activities are planned around the aim of the club—to promote a growing appreciation of the joys and satisfactions of homemaking and to develop qualities of leadership and cooperation in community life. At the end of the year the girl best fulfilling these goals received an award.

Future Teachers of America is composed of all people who are interested in the teaching profession.

Under the guidance of Mrs. Mary Baker, the club enjoyed an eventful year. The events began with an initiation of officers and a welcoming of members in September. Another major event was the joint social with the F.T.A. of East High, at which Mr. Armin Jahr, Superintendent of Schools, showed his slides of Russia.

Members served as guides at the back-to-school night for the parents of West's students. Representatives from the club also attended an

annual regional meeting in Port Orchard and a district meeting in March at the University of Washington.

During school spirit week, the FTA sponsored an athlete in a block-building contest.

Twenty-five senior members were cadet teachers in the various elementary schools in the area during the second semester and found the experience rewarding and worthwhile.

Concurring the activities was a social at South Kitsap High School for all F.T.A. clubs in the district.

The Future Nurses Club of West High School is a branch of the National Future Nurses Club of America. The members are given an opportunity to learn more about nursing and allied fields of health. Members may work at the Harrison Hospital as Candy Strippers or nurse's aides provided they are at least sixteen.

During the year the many club activities included a number of fund raising projects such as food sales in the halls at school and a con-

cession stand at one of the basketball games. Members were also kept busy by making baskets for needy families in the area, by touring hospitals, and by visiting schools of nursing. To further inform the future nurses about this profession, persons from fields of nursing and various associated fields of health came to speak to the members about the opportunities and duties concerning this work.

Making Homecoming a success was the major problem of the Chamber of Commerce members as they began the new school year. "Once Upon a Time" was chosen as this year's Homecoming theme. The decorations were taken from pictures of Camelot's time and the colors were red, blue, and gold. The usual three days festivities commenced with the Coronation which was deemed a success by those attending. Next came a car caravan highlighted by a live lion riding in a certain school-spirited senior boy's convertible. Immediately following was West's football game with Belarmine. Saturday night Homecoming activities were climaxed by the well attended Homecoming dance.

MEMBERS WORK HARD SELLING FOOTBALL PROGRAMS

It was doubtful that this year's success would have been possible without the help of our advisers—Mr. Bidwell, Mr. Fry, and Miss Oakland. Mr. Myers, the librarian also contributed some of his time by helping some of the members staple programs for the homecoming events.

Funds for the festivities came from various areas. Included in these were the selling of programs at football games and the selling of all school play and Homecoming dance tickets. They also gained funds from the selling of mums, the official corsage at the dance. In the spring, members also sold tickets to the Senior Play, "Pillow Talk."

DEBATE CLUB MEMBERS TRAVEL TO MANY SCHOOLS

Wallace Lew, Peter Martin, Gary Chrey, and Tim Rowan participate in a practice debate

The Debate Club, under the watchful eye of their coach, Mr. Don Bidwell, has been arguing the ins and outs of this year's debate topic, "Should Nuclear Weapons Be Controlled By an International Organization." Because of a lack of upper classmen, the club consisted largely of sophomores. West can look forward to some winning teams next year providing that this year's debaters return next year.

Two teams are worthy of recognition because of the most wins, the Banghart-Litaker team and the Olson-McCombs team.

Students who are interested in debate are urged to join the club. A debater who puts in many hours of practice developing a smooth case will be rewarded with the satisfaction of winning a debate, as well as the practical experience learned.

Under the leadership of Kathy Litaker, the club's president, the club organized and held several licorice sales to raise money for the treasury.

The West High Debate Team attended several debating tournaments during the spring at Olympic College in competition for the Olympic League Title.

AFS FUND-RAISING DRIVE WAS A HUGE SUCCESS

Foreign exchange student Jan Westra points out his native country, the Netherlands, to the three candidates for West's foreign exchange program this summer, Kaye Guerin, Kristi Newbill, and Mele Howland.

The American Field Service, with its headquarters in New York City, is a private, nonprofit organization whose primary function is that of improving international understanding by bringing foreign students to the United States and sending American students abroad. The Bremerton chapter is composed of interested adults as well as students from East and West High Schools. Interest and financial support have grown to such an extent that both schools will be eligible to have a foreign student each year.

During this year West High has been host to Jan Westra of the Netherlands and all of those who have known Jan have come to realize the value of the A. F. S. program. Students reflect their enthusiasm by increasing attendance at meetings and by overwhelmingly supporting a fund raising drive which netted over \$1400 in only three days.

Mary Knox and Laura Kemp-ski sell Christmas cards as an A.F.S. project to another member of the club, Mary Gleysteen.

TORCH HONOR PINS WERE SOLD TO CLUB MEMBERS

Objectives of Torch Honor Society are to promote scholarships on the class level, to participate in school activities and to give service to the school in as many ways as possible.

This year's officers: Steve Pettitt, president; Sue McKnight, vice-president; Kathy Smith, secretary; Jann Ullock, treasurer; Karen Anderson, inter-club council representative; were responsible for realizing these objectives.

Money-making projects consisted of hall sales, such as, a tootsie-roll sale, and a concession at one of the games during football season.

Special Torch Honor pins were also sold this year to the club members as another source for earning funds. They chose a uniform design for everyone.

During "school spirit week" a few of the club members participated in the block-building contest. Although they didn't win, they well re-

This club is eligible to any student who maintains a 3.0 or "B" average. Freshmen wishing to become members of this honor club base their eligibility on their first semester grades. The average is determined by grades made in regularly scheduled classes.

Initiation of the new members at the incipience of the second semester was an overwhelming success. The participants underwent many ordeals in order to become a full member of the club

It is hoped that next year's club will accomplish as much.

To create an interest in scholarships, to stimulate a desire to render service to others, to promote leadership, and to encourage the development of character are the objects of the National Honor Society.

The members of the club, with the help of the adviser, Mr. Donald Fry, are responsible for the management of the Cat Cave, where school supplies are sold and where seniors may order their announcements for graduation. The services provided have proved to be a real help to the student body.

With the funds from the treasury the club sponsored its traditional spring banquet honoring those Seniors who maintained a 3.5 grade average for their first seven semesters of high school.

GERMAN STUDENTS PROFIT BY EXCHANGE TEACHER

A little bit of the "real thing" flew in from Germany this year, and added something special to the German Club. Frau Doktor Zierke taught German at West High and advised German Club, exchanging places with Miss Betty Anderson, who spent the year teaching English in Hamburg, Germany.

Club members especially enjoyed the meetings when Frau Dr. Zierke showed slides and spoke of her home town. At Christmas time, the club members presented a check to Dr. Zierke so that she could call her parents in Germany.

The "business" and the "profit" department

of the Club consisted of various food sales including candy sales during the year.

The club sent two representatives to American Field Service. They were Maureen Williams and Mary Cleysteen. The club officers included president, Marlin Criddle; vice-president, Sandy Foraker; secretary, Patty Shank; treasurer, Robin Tobacco; and inter-club council representative, Jim Eaton.

Toward the end of the year, members sold the traditional club pin.

Participation in many activities made the year an interesting one for Latin Club members. In November delegates attended the Junior Classical League Convention at Blanchet High School.

The JCL also publishes a newspaper, the **Vox Latina**. West's club published the March issue of this statewide newspaper under the direction of their editor, Paula Bennett.

Other activities this year included an initiation party for all new members. Mrs. Smith assumed the duties of the club's adviser.

At Christmas time the members planned a Christmas party with games and refreshments. This proved to be a successful event.

The club held sales this year to earn funds for their treasury. They worked at a basketball concession in order to reach their financial goal.

In April, Latin Club elected a princess to the Pan American court and presented a skit in her behalf. Then to conclude the year a member of Latin Club was chosen to receive an award for his outstanding accomplishments throughout the year.

Those in the Latin skit for the Pan American assembly, composed of Rick Garland, Mary Jane Bishop, Lynn Lucas (standing), Tom Howell, Dan Schremser, and Mike Matlock (above), related the dating customs of the Roman Empire period to that of ours today.

Goldilocks (Curt Bay), Baby Bear (Sig Anderson), Mama Bear (Penny Polhamus) and Papa Bear (Tony Howell), depict the story of Goldilocks and the Three Bears for the Spanish skit in the Pan American Assembly.

Spanish Club, with approximately ninety members, is advised by Mrs. Spooner. Officers this year were: Patty Worth, President; Karen Couch, Vice-President; Kerry Briggs, Secretary; and Janel Shroy, Inter-Club Council.

At Christmas time, the club had a Christmas party to which all of the other language clubs were invited. There was entertainment, food, and a pinata to help make the party a success.

For a money making project this year, the club had a candy sucker sale in the main hall during lunch. The biggest event sponsored by the Spanish Club was the Pan American Assembly, which was held during Pan American Week. Spanish Club was represented in this event by a queen and a princess. Skits were presented to the court by the various language clubs as entertainment.

DECA—Distributive Education Clubs of America—identifies the program of youth activity relating to Distributive Education. It is designed to develop leaders for marketing and distribution.

The purposes are to develop a respect for education in marketing and distribution, contributing to vocational competence, and to promote understanding and appreciation for the responsibilities of citizenship in our free, compet-

itive enterprise system. In order that this end might be realized, the club sponsored a number of projects: sales of sugar daddies, donut holes, dill pickles, styro-foam Christmas balls and candy.

At the East Carnival they held a cotton candy sale, an auction, and a dance featuring the "Royals." Outside activities concluded a busy year.

Social Studies Club, led by its officers and its adviser, Mr. Broetje, had a busy year. The club became involved in many activities.

The organization conducted a straw ballot for the students during the state and national elections.

A clothing drive was sponsored which turned out to be a big success. The clothes were sent mainly to the Appalachian Mountain region. Money was also contributed to CARE

To increase the treasury the club members sold suckers in the hall and worked in the concession stand during the basketball season.

The members were also busy with a few smaller projects. One of which was the writing of a constitution that the club was lacking. The cleaning of the social studies department store-room and the building of racks for the maps in this room was another job well done.

SCIENCE AND INTER-CLUB COUNCIL HAD BUSY YEAR

Clay Modden, Laurie Olafson, Dwight Olson, Paul Sims, Tom Smith, Jim Lockheed

SCIENCE CLUB

This year the Science Club has proved exciting as well as educational for those participating. Under the guidance of its adviser, Mr. Stout, the club has engaged in discussion topics from the **Scientific American**. Throughout the year the club maintained a salt water aquarium for the observation of marine shore life.

Other endeavors of the club were watching and discussing scientific films and hearing lectures given by members themselves.

The officers included Dwight Olson, President; Paul Sims, Vice-President; Clay Modden, Secretary; Dewayne Noble, Treasurer; and Dick Topness, Inter-Club Council Representative.

FRONT ROW—Karen Anderson, Leslie Emery, Kathy Litaker, Judy Hill, Pam Farrell, Carol Finley, Patty Worth, Janet Eckman, Janel Shroy. SECOND ROW—Eldon Wall, Jim Eaton, Glenna Rven, Candy LaRoche, Gail Wolff, Karen Couch

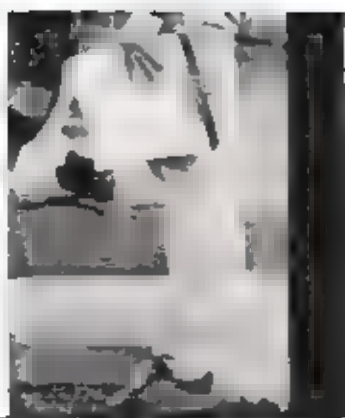

INTER-CLUB COUNCIL

The main purpose of the Inter-Club Council is to serve as a link between the other clubs of the school. Its primary duty this year was to make sure each club had a written constitution or to have their old one revised. The members elected a constitution committee composed of Janel Shroy, Janet Eckman, Jim Eaton and Judy Hill to revise inter-club council's constitution and to file the other club constitutions.

A representative from each club was chosen who met with the adviser, Mrs. Mulen. Each month they discussed problems that arose within the individual clubs and proposed solutions.

Tim Rowan, Mike Sweeney, Bob Swackhamer. THIRD ROW—Brett Wills, George Egan, Roger Gehring, Harold Williams, Ed Stewart, Jim Ullin, Gordon Gibbs, Dick Topness.

FACULTY

ADMINISTRATORS HELP SOLVE STUDENT PROBLEMS

Mr. Fred Graham, Principal

In looking back over the 1964-65 year, I see a number of bright spots. One is the leadership provided by our students. It is difficult to recall a year when we have had better A.S.B. leaders.

This year we have had preparation periods for most of our teachers. This has resulted in more carefully prepared work on their part with the benefits accruing to our students.

The drop out situation is not nearly so serious in Bremerton as it is in other areas of the United States and we hope to keep it to a minimum here. After students have dropped out of school and have had sufficient time to think, they will frequently come back, have their situation appraised and complete the required work.

We want to see all of our students complete their requirements for graduation and we are proud of the success they achieve.

COUNSELORS ADVISE FOR SUCCESS IN THE FUTURE

MRS. ALICE FRASER: Sophomore Counselor, Co-ordinator of Faculty Activities.

MRS. GLORIA RYAN: Junior Counselor, Girl's Club Advisor

MR. TERRY LINDQUIST: Senior Counselor, Boy's Club Advisor

MR. MAURICE WALSH: Freshman Counselor, Anti-Smoking Committee Advisor

The Faculty at West High School works to promote learning, not only by the subjects they teach, but by the extra-curricular activities they give up their valuable time to advise. Much of one's education is not carried on in the classroom but in outside activities. Without the help and understanding of the West High School Faculty, both in and out of the classrooms, many of our valuable moments of learning would never have come to pass.
